when the world and i were young just yesterday
life was such a simple game a child could play
it was easy then to tell right from wrong
easy then to tell weak from strong
when a man should stand and fight
or just go along

but today there is no day or night
today there is no dark or light
today there is no black or white
only shades of gray

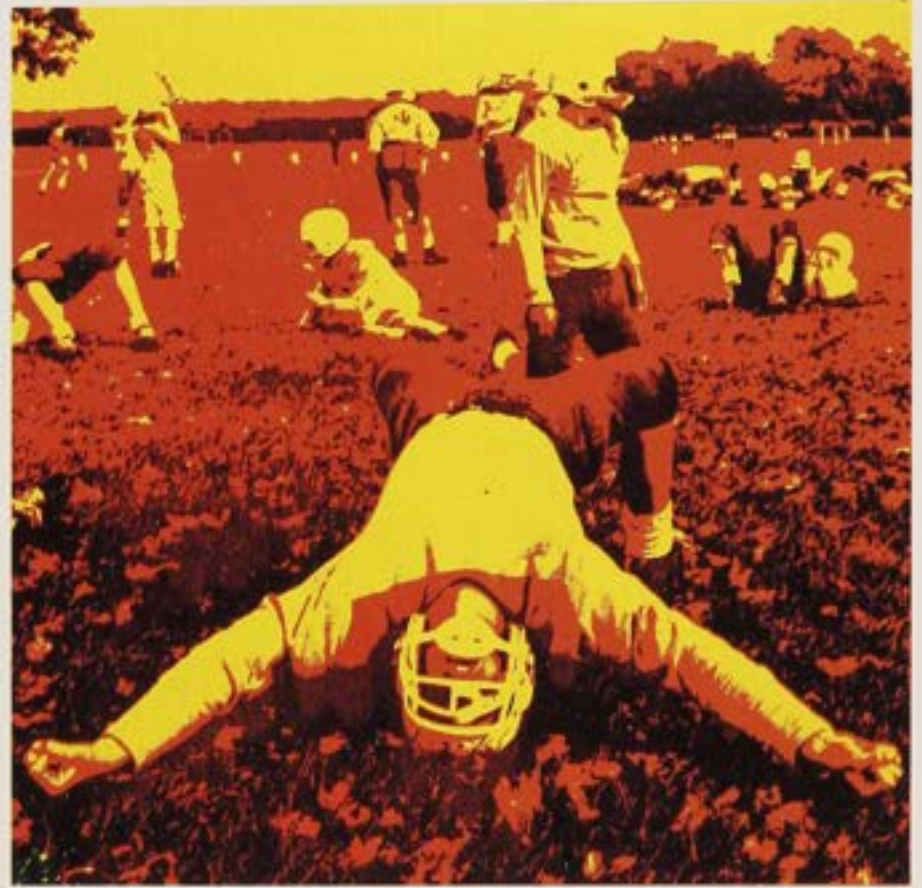

i remember when the answers seemed so clear
we had never lived without or tasted fear
it was easy then to tell truth and right
selling out from compromise
who to love and who to hate
the foolish from the wise

but today there is no day or night
today there is no dark or light
today there is no black or white
only shades of gray

There is no better way to manifest loyalty . . .

What happened to Mrs. Benson?

. . . to the academy than by . . .

. . . representing it well in public!

FIRM DISCIPLINE!

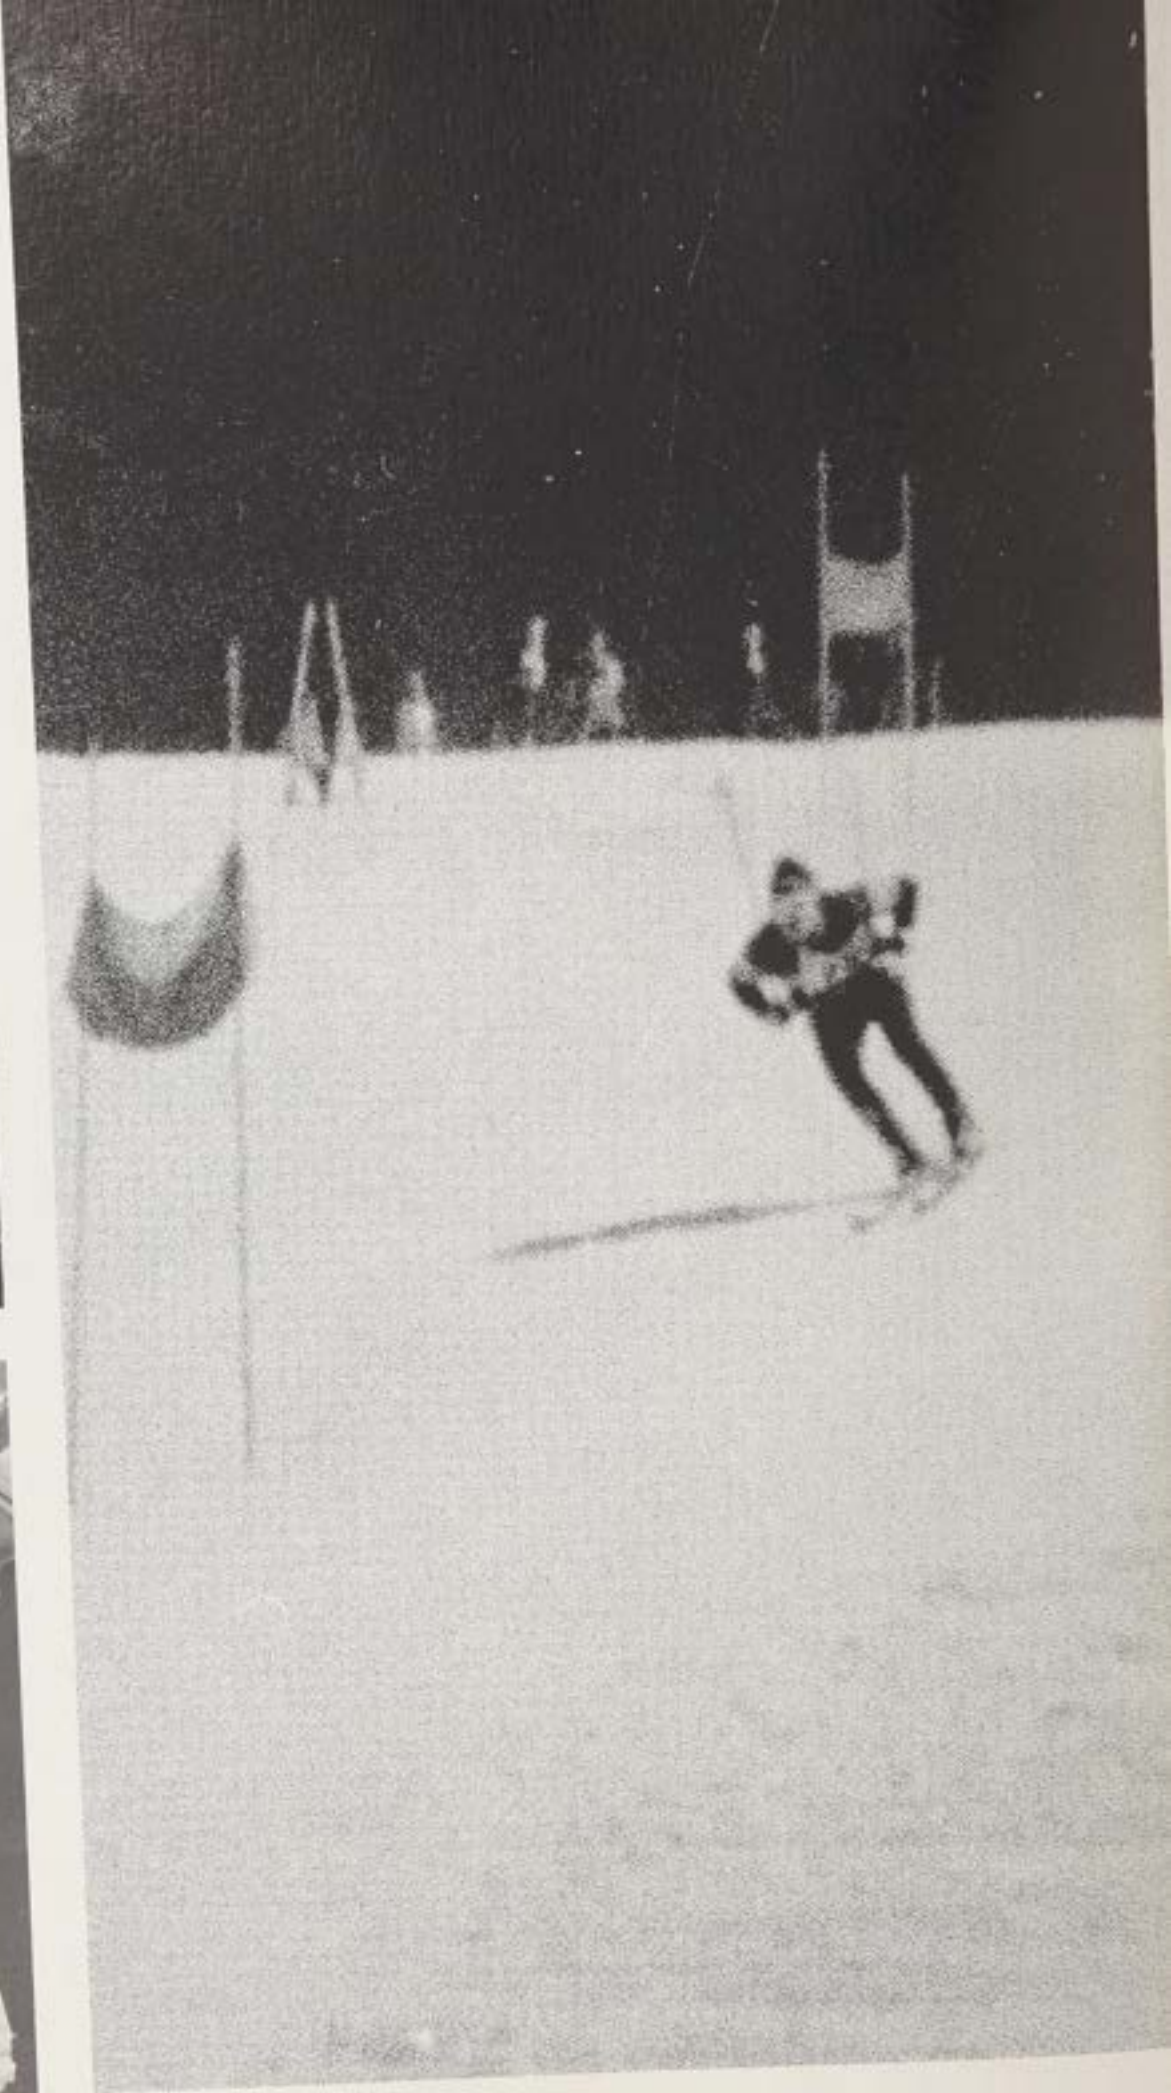

No, he's not my father!

But Boris, you promised me the principalship.

This year CBA witnessed the introduction of two new clubs, the Rocket Club and the Ski Club. Headed by Steven McMenamain and moderated by Bro. James Dobson, the Rocket Club is frequently seen launching their missiles after school.

The Ski Club, under the expert direction of Bro. John Penna, offers students an opportunity to enjoy this winter sport bi-weekly. An offshoot of the club, the CBA Ski Team, has placed well in numerous state tournaments, despite its recent inception.

MARCH 14, 1970

EARTH DAY: APRIL 22

The day we began to appreciate
our earth.

Want to Swim in
Glass this Summer?

IT COULD HAPPEN!
GLASS IS NOT MADE OF CRUDE
OIL. IT'S MADE FROM SAND, WHICH IS ALL THE OTHER GARBAGE YOU
WASTE. IT'S EASY TO RECYCLE IN LIME, STRAIN, AND RECYCLE, OF COURSE.
BUT...

BRING IN YOUR BOTTLES--

DO USE RECYCLED GLASSWARE, GENERAL
RECYCLING AND RECYCLE BOTTLES FOR GLASS.
YOU WILL KNOW THAT YOU'RE BEING RESPONSIBLE
IF THERE ARE BOTTLES IN THE GARBAGE.

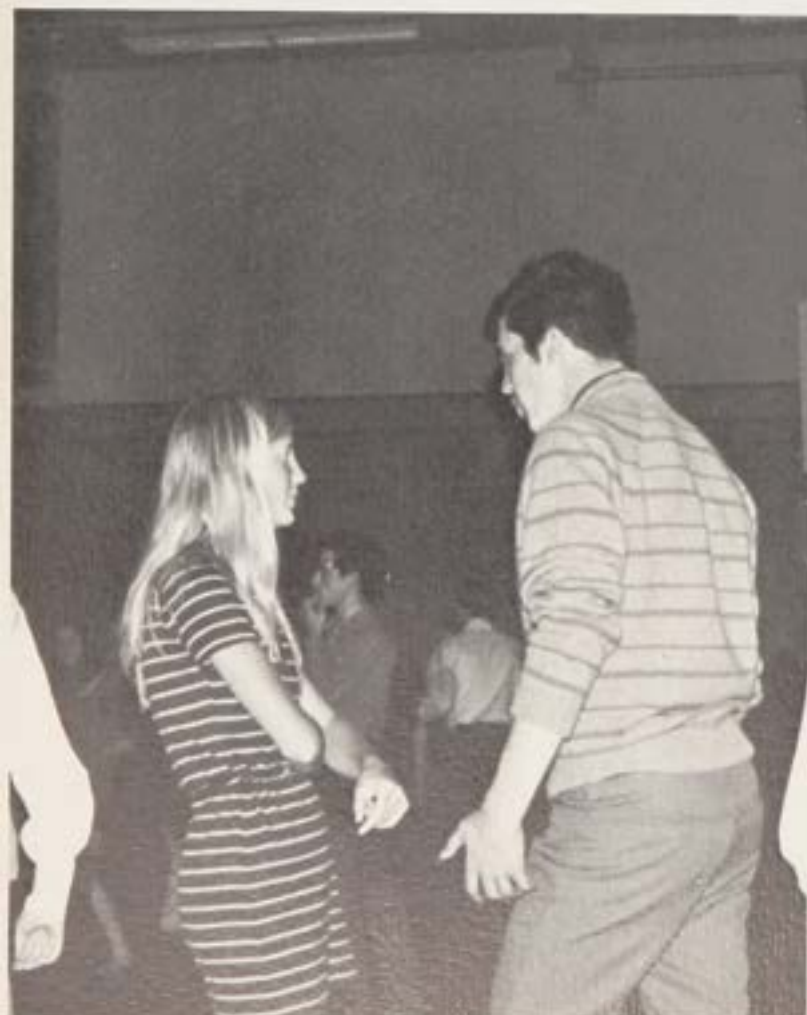

...AND YOU CAN'T SWIM IN GLASS AT ALL.

PATTERNS OF DISCOVERY AS WE FIND OURSELVES

TO MOVE ALWAYS AHEAD
THROUGH LIFE

A long, empty hallway with a person's silhouette in the distance. The hallway has a polished floor that reflects the overhead lights. On the left, there is a metal railing. The ceiling has several rectangular light fixtures. The overall atmosphere is quiet and somewhat somber.

it was easy then to know what was fair
when to keep and when to share
how much to protect your heart
and how much to care
but today there is no day or night
today there is no dark or light
today there is no black or white
only shades of gray
