# GRADUATING CLASS OF CHRISTIAN BROTHERS ACADEMY PRESENTS THE 1972 PEGASUS

MR. ROBERT MASON

On the occasion of the tenth graduating class of Christian Brothers Academy, we, the Senior Class of 1972, gratefully dedicate our yearbook to a man who has spent twenty years teaching in Christian Brothers schools, Mr. Robert Mason.

Mr. Mason began his teaching career with the Brothers at La Salle Military Academy, Oakdale, Long Island. He had graduated from Boston College, Chestnut Hill, Mass., with an abundance of scholastic and athletic honors. During his tenure at La Salle Military Academy, Mr. Mason taught English and coached a number of sports, being particularly successful in football in the Catholic School League and was named coach of the year for his efforts.

When C.B.A. opened in 1961, Mr. Mason was here to continue his efforts as teacher, coach and athletic director. He continued to do here the excellent job he had done at Oakdale.

We dedicate our book to Mr. Mason, however, not because of his achievements, but rather because of the kind of man we perceive behind the teacher and coach. The key to his success as a Christian educator is his devotion to God and the truth passed down to us by Christ, His Son. This love of God and the dedication to passing on His truth by teaching and example are the key to this man's life and success as a molders of youth.

Mr. Mason, you have our eternal gratitude for what you have given us and your other students over the past twenty years. We pray that God will continue to bless your efforts and shower His rewards on you and yours.

Co-Captains

Phil McCutcheon '72

The Varsity Pre-Season began on September 1, 1971. At first the squad looked bad and after the first two games looked even worse. In the first two games the Colts were destroyed by Steinert, the number one team in the state, and rival team, Saint Mary's of South Amboy. But after these two disappointments the offense began to score and take the load off the defense which was playing far superior than anyone had expected. Front liners were Brian Kean, Steve Orban, John Peel, Bob Orban, and scoring leader Mark Sucheki. When this line clicked it ranked as good as any, and when it didn't the terrifying defense held the fort. Led by co-captains Phil McCutcheon and Phil Kuhlthau the defense became a weapon in the Colt arsenal. Supporting the captains were Dave Galligan and Randy Kalinowski as fullbacks, at halfbacks were Kevin Corcoran and Mark Parry, but the team didn't end there. Without the rest of the team the 7-4 record would not have been possible. Phil Portantino, Kevin McCaffery, Mike Gorman, and Jim Catley were the main defense replacements backed by Keith Peppas, Dave Flynn, Ken Moore, Mike Boem and Mike Loncola, and on offense Mike Sheehan, Tom Raffa, Marty Lonigan, John Ayers, Mike Squillante, Dan Jones, all contributed to the Colt cause.

The dream of Varsity Soccer started the previous year with the painting of Henderson Hall. The soccer team would like to thank Coaches Brother James Farrell and Mr. Thomas Lackey.

BROTHER ROBERT CONWAY

## A NOTE OF THANKS . . .

At last! The finished product! For me, putting together the 1972 *Pegasus* has been a year full of happiness, anxiety, and a tremendous amount of pride. At this time I would like to thank the many people to whom I have become indebted. So, let me express my appreciation to:

Ken Gike '72, Phil Portantino '72, Frank Daley '72, John Ruffalo '72, Tom Sannelli '72, Bill Jackson '72, Kevin Arban '72, Tony Schaible '72, Dennis Keogh '73, Tom DiFedeli '73, Steve Lubetkin '74, without whose help this book could not have become a reality. These pages are a tribute to their devoted and unselfish character.

Brother Raymond Leech, moderator of the *Pegasus*, and Miss Donna Schroll, co-moderator, for the encouragement and inspiration they gave to help us through our most trying times.

Mr. Thomas Everett and the entire staff of Rae Publishing Company for their advice and assistance throughout the year.

Mr. Jack Lambert and the staff members of Lorstan-Thomas Studios for the many fine photographs and professional advice.

Mr. Dom Graziano, representative from S. K. Smith Company, for his help with our cover design.

Brother Robert Conway for his endless photographic talent and advice which he gave so freely during the year.

Rich O'Connell '72, Paul De Wyngaert '72, Ed Donnelly '72, Greg Walsh '73, Steve Starace '74, and the other members of the *Pegasus* photography staff.

The students, faculty members, and administration who expressed their support for the 1972 *Pegasus*.

To these and all the countless others who gave of their time and talents, what more can I say but a sincere "Thank You."

To the staff, patrons, and friends. To all those who view the products of our work, may you share the pride and pleasure with which we present this, the 1972 *Pegasus*.

Thanks again,  
JIM NAPPI  
Co-ordinating Editor
