# The New Freshman Wing

The commencement of the 1985-'86 school year at C.B.A. was highlighted by the opening of the new Freshman Wing. The new wing represents the completion of Christian Brothers Academy. The wing which was built at a cost of 2½ million dollars replaces Henderson Hall which formerly served as the freshman building. Aside from providing classrooms for the freshmen who are no longer isolated from the school's main building, the new wing also provides the school with a chapel, a new Earth Science lab, and a new Computer lab. The new wing represents Christian Brothers Academy's continuing and growing commitment to excellence in education.

# The New Theatre

**ABOVE:** A fish-eyed view of the interior of the theatre.

**RIGHT and BELOW RIGHT:** The exterior in various stages of construction.

Last year's play saw an interesting new concept. "Joseph and The Amazing Technicolor Dreamcoat" was held in the center of the gym floor instead of the more traditional location, the stage.

However, this year's play was even more exciting, for it was held in the new Henderson Theatre.

At a cost of 1.4 million dollars, the air-conditioned theatre seats 353 people. Its main use will be for the play and other performances. In addition, concerts and performances, movies, class masses, and lectures will also be held in it.

# The 25th Anniversary Gala

*Brother Andrew enjoys the evening with Mr. and Mrs. Charles Sullivan*

On Saturday evening, October 28, 1985, a Gala Ball was held on the campus to celebrate C.B.A.'s 25th anniversary. On this night, parents, brothers, lay faculty, alumni, and friends of the Academy got together for an exciting and memorable evening of dancing, good food, and merriment.

Besides celebrating the Academy's Silver Anniversary, the Ball was also the culmination of all the activities leading to the construction of the school's new wing and theater. After all the work, it was time to relax and enjoy the fruits of all the efforts. Guests enjoyed a bounty of hot and cold hors d'oeuvres, a fine supper of French cuisine, and delicious deserts graciously served by Tower Catering.

A highlight of the evening was the distribution of the 25th Anniversary Journal, compiled by Mr. Vincent Cox and Mr. Harry Warren and depicting highlights of C.B.A.'s history. The entire evening was a result of the untiring work of Mrs. Barbara Scott and the Women's Guild. A great time was had by all!

# Dedication

The twenty-fourth graduating class of Christian Brothers Academy dedicates the 1986egasus to the memories of Brother Bernadine Aucoin and Father William Bohnsack.

Brother Bernadine was born in Waltham, Massachusetts as one of ten children to parents of French-Canadian descent. He attended his first two years at St. Mary's High School at Waltham, a school taught by the Christian Brothers. Brother Bernadine then transferred to St. Joseph's in Barrytown, New York, a school for those interested in joining the Brotherhood. It was at the young age of eighteen that Brother Bernadine took his vows and became a member of the Brothers of the Christian Schools.

During his teaching career, Brother Bernadine taught at eleven schools including Christian Brothers Academy at Syracuse and Lincroft. He spent eleven-years working with troubled teenagers at Lincoln Hall as well as six years as a missionary in the Philippine Islands. While here at the Academy, Brother Bernadine taught both French and Religion, was a guidance counselor and was a coach of the golf team.

Faith was never lacking in Brother Bernadine. He was an example to all of us as a faithful man of Christ. In his personal memoirs, he once wrote, "I discovered a value in myself that was owing completely to my identity as a brother."

Brother Bernadine left this world in Christ on July 14, 1985. His good-natured, easy going manner will be sorely missed by the whole C.B.A. community.

Martin Teevan

Father William Bohnsack was the pastor of St. Leo the Great Parish in Lincroft and the chaplain of De La Salle Hall. Born in Perth Amboy, Father Bohnsack was a 1959 graduate of Notre Dame, where he majored in Philosophy.

In 1960, Father Bohnsack entered Mount Saint Mary's Seminary and was ordained a priest in 1964. After Father Bohnsack's ordination, he was assigned to St. Anthony's Roman Catholic Church in Trenton. In 1973 he became the assistant pastor at St. Leo's, becoming pastor in 1980.

Father Bohnsack's service to the Brothers' Community will never be forgotten. As their chaplain he attended to their spiritual needs and frequently celebrated the Eucharist in our school community. He was a true man of Christ and a good friend of our school.

Father Bohnsack passed away on August 4, 1985. His friendship and spiritual guidance will be greatly missed.

# Br. Adrian's 50th Anniversary

This past September marked the Golden Anniversary of Brother Adrian O'Donnell as a Brother of the Christian Schools.

Brother Adrian was born on October 20, 1918 in New York City's "Hell's Kitchen" as James Anthony O'Donnell. He attended public school up until the eighth grade and in his Sophomore year of high school he joined the Juniorate of the Christian Brothers at St. Joseph's in Barrytown, New York.

Brother Adrian received the habit of the Christian Brothers on September 7, 1935. He attended Catholic University of America, graduating in 1939 with high honors in French.

In September of 1939, Brother Adrian began teaching at La Salle Academy in Providence, Rhode Island. In 1949 he became Principal of St. Peter's Junior High School in Staten Island. From there Brother Adrian went to teach at St. Joseph's Collegiate in Buffalo, Bishop Laughlin High School in Brooklyn and Monsignor Tache Ecole in Quebec, Canada. For the past twelve years Brother Adrian has been at the Academy, where he has taught Spanish, French, Italian and Religion. Brother Adrian has been involved in many extracurricular activities; he has coached boxing, baseball, swimming, and was President of the New York Catholic High School Athletic Association for five years.

Brother Adrian has earned master's degrees in French, Spanish, and Education from Manhattan College and New York University. He has studied foreign languages under Federal grants at the Universities of Wichita, Texas, and Columbia, as well as in Mexican universities.

To celebrate his Golden Jubilee, A liturgy of Thanksgiving was said in Brother Adrian's honor on Saturday, October 5, 1985. It was followed by a reception and dinner.

The staff of the 1986 Pegasus wishes to acknowledge Bro. Adrian's contribution to Christian education and to thank him for his many years of unselfish service.

CONGRATULATIONS BROTHER!

Steve Dallolio

# Thank You, Brother Andrew

**ABOVE and RIGHT:** Brother Andrew looks over the plans for the new wing and theatre.

The success of Project 80's depended upon a lot of people. There were architects, secretaries, and countless others involved in the undertaking of Project 80's. But, the main thrust behind the entire operation was Brother Andrew O'Gara, who was responsible for a majority of the fundraising and organizational work that was necessary to make Project 80's the success that it has become.

Originally, the freshmen were scheduled to move into the main building of Christian Brothers Academy shortly after the building's completion. However, the freshmen remained in Henderson Hall for twenty plus years. Brother Andrew changed all that.

Brother Andrew organized a phone-a-thon to raise money for Project 80's and sent out many letters for the same purpose. Both methods were very successful in raising the funds needed to finance the project.

Brother Andrew was also a major force in the organizational aspects of Project 80's. He consulted with all the architects and contractors involved with the project. He also spent many hours going over the blueprints for Project 80's to make sure that everything went as planned and on schedule.

Everything went as scheduled. The new wing and the theatre opened in September of 1985 and will be used and enjoyed by all of us and also by many future Christian Brothers Academy students and faculty members.

We owe everyone of the numerous people involved with Project 80's our warm congratulations and a heartfelt thank you for a job well done. But a very special congratulations and thank you goes out to Brother Andrew O'Gara for the contribution of his undying dedication and effort as well as many hours of his own time, which has made Project 80's such a terrific success.

## FACULTY RUNNERS

It is a typical afternoon at the Academy. Suddenly, we see four figures running along the former horse trails of CBA. Cross-Country stars? No, CBA faculty members — Mr. Bruno, Mr. Chesney, Mr. Scott, and Mr. Krzan. These faculty members have been running around together for a few years now. They run for personal satisfaction and well-being. Although, on occasion, they do run races, even marathons, they do so not mainly out of a spirit of competition, but to meet new people and to reach personal goals. Their afternoon runs serve to relieve tension built up during the school day and to share interesting conversation about whatever comes to mind. We look forward to seeing these familiar faces running around campus in the future and wish them luck in upcoming races.

Mr. Melosh is very involved with the students here at CBA. His involvement with high school students, however, extends beyond the Academy bounds. Mr. Melosh works with the youth group of St. Mary's Church in New Monmouth.

Originally, Mr. Melosh worked with the sports teams of the CYO, but as time went by, he became more and more involved with other aspects of the group. Aside from competing in basketball and softball, the group also takes trips to Great Adventure, holds dances and other social activities, and participates in monthly masses.

Mr. Melosh says that being able to work with youth is the best part of his involvement. He does express regret, though, that he is unable to reach everyone. We hope Mr. Melosh continues his work and enjoys it for a long time.

The CBA Fathers' Club is an intrinsic part of the school's community. This organization is responsible for and participates in activities such as the Cadillac dinner and raffle, the service auction, the communion breakfast, and the blue coats. The efforts of these men add greatly to the CBA community.

# Women's Guild

The Women's Guild is a vital part of the CBA community. This year's president is Mrs. Gail Hempstead. The Women's Guild holds monthly meetings, moderated by Brother Andrew O'Gara, in the school library. They sponsor the Art Show and co-sponsor the Service Auction with the Father's Club. This year, they also provided the decorations for the 25th Anniversary Gala Ball.

It was a case of deja vu for Brother Christian this year. It all started in 1962 when Brother taught Mr. Richard Sheer Sr. This year, however, he was teaching Richard Sheer Jr. who's taking A.P. Calculus I like his father.

It just goes to show you that History *does* repeat itself.

# Staff 1986

The Pegasus '86 is finally a reality. Hard to believe considering the fact that we were 90 pages behind at one point. But due to the persistence of our fearless editor in chief, Mark Warren, and the other hard working staff members, we pulled it off.

The underclassmen section was under the editing power of Bob Inderbitzen, we're going to miss you next year! The Organizations editor was the ever popular, Mike Nieto, who always managed to keep his cool. Mike put in many long afternoons in the office. The Sports Section editor was the famed Dan Le Roy. The student life editor was Brian Molinari and photography by Glen Grossman. Of course, there are the senior editors John Sheehan and Vin Sollecito. These are only a select few of the many people who painstakingly made the Pegasus '86 a reality. Good job!

*No wonder we were 90 pages behind!*

# Pegasus Production Company

This year the Pegasus Production Company presented the musical *Evita* an operetta written by Andrew Lloyd Weber. The play deals with Eva Peron's, originally Eva Duarte's, rise from a tango dancer to the ruler of a nation. The play is a true story with a few fictitious additions, such as the part of Che the Narrator.

This year's play was a great success due to many reasons. First was that it was the very first High School Production of *Evita*. Second is the presence of the new directorship of Mark Fleming, a graduate of C.B.A. Third was that it was performed in the new Henderson Theatre, which is a step above the acoustics of the Gym. Fourth was the dedication of the stage crew, led by Miss Carroll, and the lighting crew. Truly they are the unsung heroes of the play. Last but not least was that of the cast of *Evita*. The lead roles of *Evita* are as follows: Che, Joe Dougherty; Perone, J. Woodlock; Migaldi, Chris Amato; and Eva is played by Florence O'Laughlin of Tom's River, combined with the chorus and orchestra. Directed by Beth DeMichelle, lent the Argentinian spice that filled the House all six nights of the play. Certainly this year's Production of *Evita* is a fine addition to the dramatic excellence which is a C.B.A. tradition.

# Alumni Office

The Academy's Alumni office, headed by Mr. Tony Chesney, has the rather formidable task of keeping records on, and in contact with, all the Academy's graduates. Through the efforts of Bro. Andrew and Mr. Chesney the office keeps records of where our graduates have gone to college, what their occupation is, and what families they have. A newsletter, designed to keep graduates up to date with this information, and information about what is going on in the school, is published quarterly. The alumni office also organizes a ten and twenty year reunion every year.

This requires tracking down the alumni of two graduated classes. Other activities of the Alumni Office include the Annual Alumni Run-Walk and the C.B.A. Alumni Basketball Game.

All of these activities are huge successes.

Thanks to Mr. Chesney and Bro. Andrew's hard work, the Alumni Office serves as the umbilical cord of our graduates to their Alma Mother.

Presently living in New Jersey, it would appear that fans of a Miami franchise would be sparse. However, due to their classy style of play and continuous success over the past twenty years, the Miami Dolphins have become a well-liked football team throughout the country. To prove this, two seniors, Carl Fornaris and Rich Sheer, began a Miami Dolphins fan club, which enlisted fifteen members, including moderator Mr. William Bruno.

The club met once a week during the latter part of the regular season and throughout the playoffs. During the meetings, video cassettes were played, showing previous Dolphin games and/or highlights, as well as special off-the-field features. Several Dolphin games programs and yearbooks were also accessible to club members. The founders even sent to the Miami training camp, and in return received autographed team photos and other memorabilia.

From names such as Griese, Czonka, and Warfield, Miami Dolphins fans have learned to presently accept names like Marino, Clayton, and Duper. No one can really predict who our heroes will be in future years, but it would surely be unique to see such a fan club remain alive in C.B.A. to follow them.

## The Sons of Italy

The Sons of Italy club has once again surfaced as a prominent part of CBA's culture. The club was established this year by seniors Vin Sollecito and Greg Maragni in accordance with moderator Brother Andrew Garo. In its one and only meeting, the club discussed many of the dimensions of Italian heritage. A full spectrum of knowledge was gained and shared by all of the active members. The climax of the meeting was a most reminiscent scene in which a picture was taken. CBA can only hope that the club will flourish in future years as it has in the 1985-86 school year.

## 1985-86 Colts Soccer

The Colt Soccer team headed by Coach Dan Keane had a very successful season. The Colts had 18 wins, 12 of which were shutouts. They captured both the Shore Conference Title and the Northern A State Championship. They had a strong offense led by Brad Johnson and Rob Walsh, but the real strength of the team came from the defense with Mike Mott, Chris Riccardi, Brian Rogers, Mike Mascone and Ray Purdon in goal.

# Christian Service

One of the benefits of being a senior at the academy is the choice of a wide variety of Religion courses. Probably the most active course available is the Christian Service course. With Christian service, a student's education is not restricted to just the textbook but, rather, it is greatly influenced by extra activities and projects that revolve around the community. At the students' discretion, he contributes work in aiding the community and its members, while also compiling a required number of hours. This work can consist of several different options. Some of the options this year were, coaching handicapped children for the Special Olympics, teaching or aiding in CCD programs, and helping out at hospitals and rest homes. All of these activities serve not only as a means for a grade to be based on, but more importantly as a strong learning experience that will benefit students in future years.

# Open House

This year's open house at CBA was held on October 6, 1985. The purpose of open house is to show what CBA is actually like. Various students were on hand to guide the visitors through the buildings and grounds. The new computer lab was shown off to those who were on hand. In addition, a number of faculty members were there to discuss the wide range of academic offerings at the school. A glimpse into life after school was presented by representatives of various extracurricular clubs and activities. Thanks to the efforts of the National Honor Society and the other students and faculty present, open house was a great success.

# La Tuna

In December, the new auditorium housed its first performance. The premiere show was performed by the musical group from Spain, La Tuna. In Spain, groups like La Tuna are made up of about 20 to 25 college men. They dress in the same garb worn by their predecessors of the 16th century. They mainly sing popular songs. La Tuna displayed their talents to the appreciative audience of CBA Spanish students.

# A Community Of Achievers . . .

On October 12, 1985, Mr. John Hall and Miss Janet Iseicz exchanged their vows of Holy Matrimony.

Mr. Hall, a math teacher here last year, and Miss Iseicz, presently teaching foreign languages at the Academy, met in the Academy's library on the first day of the 1983 school year.

The wedding was held at St. Leo The Great church in Lincroft with a reception following the ceremony. The reception was held in the CBA gymnasium that was set up by many members of the Academy's faculty, under the direction of Miss Caroll.

Music for the ceremony and reception was provided by the CBA chorus and handbell choir. Senior Joe Doherty played the organ, sophomore Chris McGrath played guitar and Miss DeMichelle played the trumpet.

The newlyweds honeymooned in Hawaii.

Best wishes to Mr. and Mrs. John Hall.

# CBA Camping Club

The CBA Camping Club was chartered in 1985, and now it is gearing up for its second summer of adventure in the mountains of northeastern Pennsylvania.

The club includes freshmen, sophomores, juniors and seniors from CBA as well as CBA graduates. Members are given an opportunity to camp out during the summer for periods of from two to four weeks. The camping activities are held in the Endless Mountains of northeastern Pennsylvania, where campers learn to participate in the exciting realities of life in the outdoors.

There are camping trips of all kinds, including, fishing, hiking, canoeing, and tracking excursions. With the guidance of dedicated outdoorsmen, the club members learn authentic camping skills as well as riflery, archery, and self-defense. Campers also get to craft traditional Indian articles, learn Indian lore from experts, and swim in a beautiful, spring-fed mountain lake.

All in all the summer of '85 was an unforgettable one. The Camping Club members are getting ready for another great summer of camping adventures in the mountains and would like to invite any and all interested students at CBA in joining them.

Charter members of the CBA Camping Club are Jim McGarry, Marty Springer, Frank Pettinato, Dan Stewart, Pat Roff, Andy Kolodjeski, Serge Ridoux, Matt Benden, Adam Vatter, Chris Brown, Pete Heineck, John Cary, Judd Harcsar, Craig Smith, and Kevin Carroll. The moderator is Mr. Joseph Fili of the English Department.

**In Memoriam: Peter Turnese Jr.**

The graduating class of 1986 fondly remember our fellow classmate Peter Turnese Jr. who started his high school career with us in 1982. We would like to share with the C.B.A. community the following thoughts and wishes of the Turnese Family:

*"To the graduating senior class of 1986, we are extremely proud to be a part of the academic excellence at C.B.A. May you all grow and prosper in love, honor, and integrity and attain the highest plateau life has to offer.*

*In loving memory of our son, Peter Jr., and the Turnese Family, walk in the light of the Lord, and may God bless you all."*

# Familiar Faces

Do you know these faces? You often see them around campus. Mrs. Eileen Donahue manages the Project 80's office and is often seen running back and forth between the main office and Benilde Hall. Mrs. Donahue has worked closely with Brother Andrew to see that Project 80's is a success. She is also a full time Mom. Sons, Joe, Tom, and Keith are students here at the Academy. Brother Bernard McKenna also known as "Brother Bernie" was CBA's first principal. Brother can be seen in the halls often talking to students and saying hello to them as they proceed to their classes. His friendly smile is a welcome sight in a busy day and we are grateful for his years of service here at CBA.

## A New Face

Mr. Jeff Johnson is the teacher who was the replacement for Mr. Bruno at the semester break. This is first time he is teaching in the United States. Mr. Johnson graduated from Middlebury College with a degree in American History and a minor in Psychology. After graduation in 1983 he went to England. Mr. Johnson spent two years in England where he played semiprofessional ice hockey and taught social studies. He also coached and played amateur baseball, football. Mr. Johnson returned to the states in the summer of 1985 and took a job coaching ice hockey and football at Princeton Day School before coming to C.B.A.

# Thanks . . .

I have to admit that I'm glad it's over. But, before I can move on, I must thank the many people who made the 1986 *Pegasus* the success I feel it is.

Mr. Tim Triche, the Yearbook Advisor, is at the top of my list for all of his support, encouragement, and constant nagging which kept us on our toes. From scheduling photographers to reviewing pages, Mr. Triche has given more of his time and energy to this book than any other member of the staff.

I'd also like to express my thanks to Mr. David Schofield, our publishing representative from the Delmar Printing Co., for his creative input and his patience. We couldn't have done it without Dave behind us. I'd also like to thank Mike Mazzochi of Portraits by Michael. His expert photography and quick service aided us greatly and made our job much easier.

The 1986 *Pegasus* would never have been completed if I didn't have the bright, hard working editorial staff that I did. I must first thank Dan LeRoy, Assistant Editor and Sports Editor, for his time and effort. His creative talents contributed greatly to the book and his sense of humor pulled us through many tough days. I'd also like to thank my Associate Editor, Larry Edelson, for his contributions to all of the sections of the book. As a trouble-shooter, Larry saved us from alot of trouble and expense. My Photography Editor, Glen Grossman, also deserves my appreciation for his prompt service in taking pictures the day after we requested them. Even though he didn't have a high visibility role, he's the person responsible for filling the pages with pictures. Thanks S.D.

Dennis Boccipio, Jim Kozmor, John Sheehan and Vinny Solicito worked together to create the Senior

section. Even though their section was the largest, it was the first one completed. Thanks guys. Tim Moloney, Faculty Editor, did a great job of organizing his section and helped us make the first crucial deadlines.

Junior Section Editor Bob Inderbitzen, Underclassmen Editor performed admirably considering he had one of the least exciting sections to edit. Mike Nieto, Junior Section Editor of Organizations, used his creative talents and his organizational skills to complete one of the most complex sections of the yearbook. Last, but hardly least, Junior Section Editor of Student Life, Brian Molinari did an excellent job in creating the one section that will bring back the most memories to this year's graduating class.

Needless to say, yearbooks aren't produced by editors alone. This year's staff, of primarily underclassmen, was an intrinsic part of the whole organization. From the hated jobs of typing and cleaning up to the more enjoyable task of laying out pages, this year's staff was especially hard working and talented. Glen's photography staff also did an admirable job in taking a majority of the photo's you have seen in this book.

Before I go, I would like to thank Mrs. Manning for her work in identifying the people in many of the photographs you have seen, the administration for being liberal in their review of the proofs, and my fellow classmates for contributing their ideas to make this truly a book about the achievers, the achievements, and the success that we here at C.B.A. have experienced.

Thanks guys.

Thanks Mom and Dad
