# A Photo Finish

A "Photo Finish" usually refers to an exciting end to a horserace. This reference to a horserace is linked to the history behind Christian Brothers Academy's existence; it has been fifty years since CBA's founders started drafting ideas of creating a private school on what would be Whitney Greentree Stables, a 157-acre horse farm.

For most seniors, the end to their experience at Christian Brothers Academy turns into a photo finish. With the constant pressures of college applications, classes, sports, and clubs, senior year is not a "stroll in the park." Senior year does have its advantages; seniors are allowed to use the senior lounge, have more free periods, and leave early. Overall, a CBA student's "stride to the finish" of his CBA career is the final trial in his preparation for college life.

This reference to a photo finish is also a reference to CBA's performance in academics, athletics, and service. CBA never settles to be average; we strive to be the best. One of the best high schools in New Jersey, the Academy has a mix of faculty that challenges its students to perform at their potentials and of students who cease to be average. CBA's outstanding sports records place the Academy as one of the best in the nation. CBA is also noted for its students' dedication for reaching out to others in charity and help.

# FIRST DAY

*"WELCOME CLASS OF 2011"*

Freshmen First Day is a memorable day that marks the official transition from middle school to high school. Surrounded by the pressure of learning to tie a tie, the confusion from opening lockers, and the hope of meeting new friends, the first day at the Academy is a time of growth and development.

S

# tudent Life

Spirituality

One of the basic sources of motivation for CBA's student life is spirituality. Each individual of the student body develops his own spirituality that eventually helps him to mature. A generous acceptance from CBA students meets each demand, from distributing sandwiches in Asbury Park to helping a member of the faculty load cans onto a truck. The spiritual and selfless atmosphere around the school is one of the fundamental traits that distinguishes the Academy. There are over thirty clubs at CBA covering all aspects of school life. These clubs offer a multitude of events occurring throughout the school year, which gives each student the opportunity to participate in an activity that best suits his interests.

Clubs Events

# LaSallian Youth

CBA SERVING THE COMMUNITY

## Faith Service Community

"Lord, when did we see you hungry and feed you, or thirsty and give you drink? When did we see you a stranger and welcome you, or naked and clothe you? ...And the king will say to them in reply, 'Amen, I say to you, whenever you did for one of these least brothers of mine, you did for me.'

Mt 25:37-40

In the Fall, students, faculty and staff traveled to Camden, NJ to assist in a few maintenance projects at our sister LaSallian Miguel school. There was some serious cleaning and painting, but after a long days work, there was some time to goof around before we made the trip back to Lincroft.

Twice a month 12 to 15 members travel to Asbury Park to distribute a meal to those in need and tutor gradeschool students at the Sisters of Charity after-school program.

In December members held their annual Christmas Dance which is the biggest fundraiser for the year. In January for mid-terms Nick Grippo is seen selling Dunkin Donuts and juice in the Cafe. Left, Mr Higgins and Mr Sewnig assist the food bank in loading up food donations from the Thanksgiving food drive

# Camden Trip

## *CBA Reaches out to Camden*

In October a group of students, accompanied by Mr. Sewnig, Mr. Egan and Mr. Wheeler traveled to Camden to assist in the general maintenance of the San Miguel School, which is a LaSallian tuition free school. Work activities included: painting, cleaning and various forms of manual labor.

Extraordinary Ministers

Acolytes

# Zilinski Run

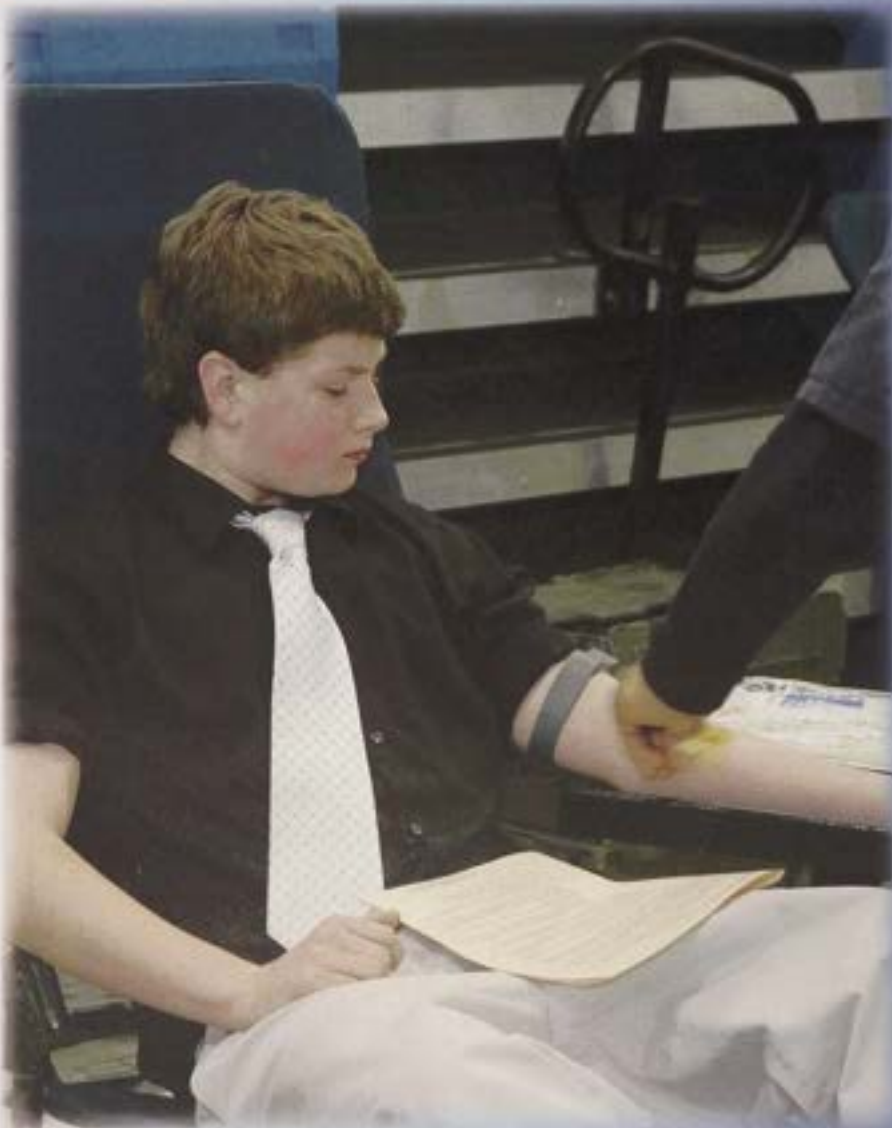

## Zilinski Run

The second annual Zilinski Memorial Run, in remembrance of the late CBA alumni Lt. Dennis W. Zilinski, II, was held on November 11, 2007 at PNC Bank Arts Center. Numerous students from SADD, Lasallian Youth, and the Swim team helped during this event; many chose to help organize and run the Zilinski Run, while others chose to participate by running. Denis Zilinski was killed while serving in Iraq on November 19, 2005.

# Guru

# Blood Drive

CBA sponsored another blood drive that occurred on February 29, in the Varsity Gym. Students set a school record this year with 86 students participating in the event. Of these 86 students, 61 gave blood for their first time. Nurse Young coordinated the drive with the Central Jersey Blood Center in Shrewsbury.

# Thanksgiving Food Drive

Every Thanksgiving Season the traditional CBA food drive takes place. This year's food drive was a huge success with over ten thousand cans collected. Run by Mr. Sewnig through Campus Ministry, the majority of cans are donated to food banks in Monmouth and Ocean Counties while the rest are distributed by LaSallian Youth in Asbury Park.

# Retreats

# Father / Son Communion Breakfast

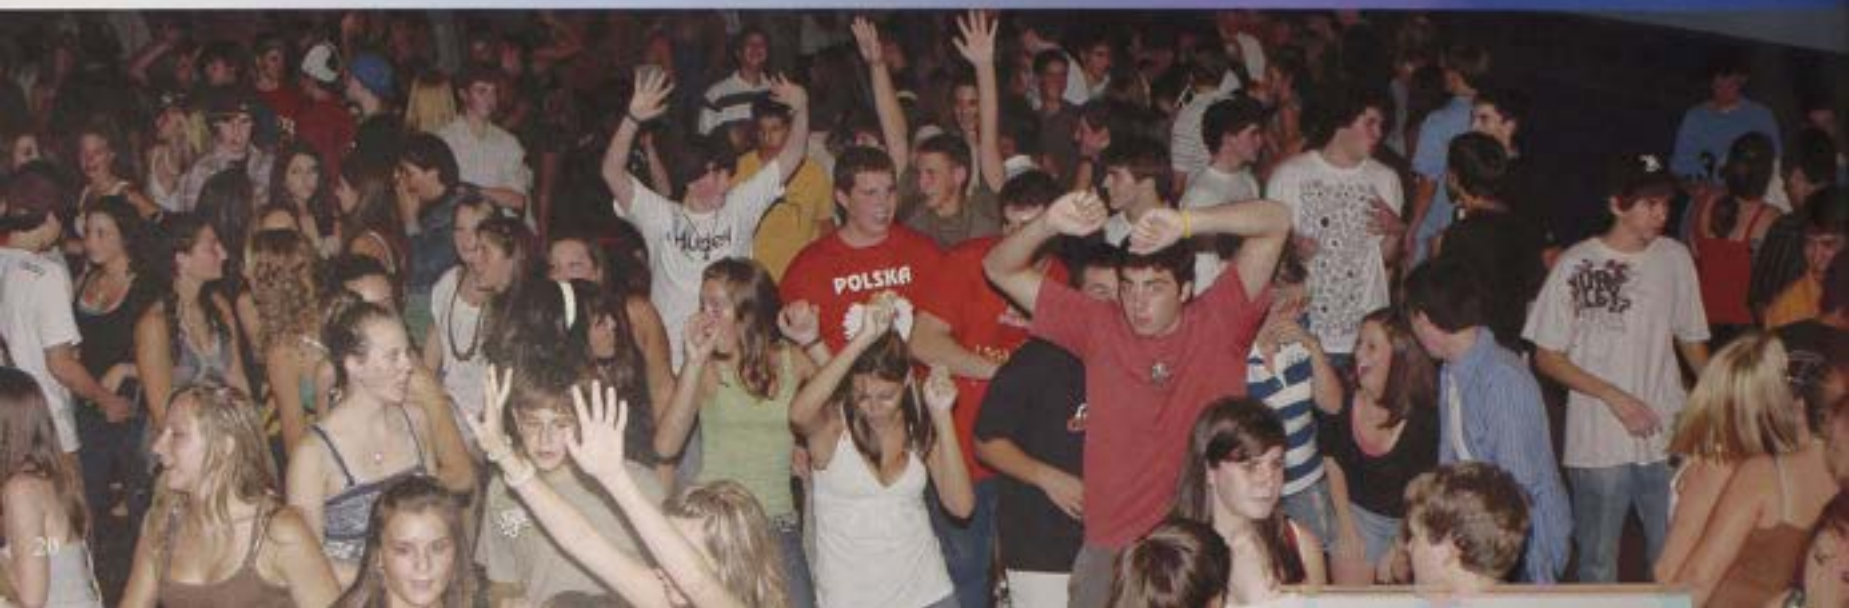

# Art Show

# BIENVENIDOS A TIJUANA WELCOME TO TIJUANA

## **Schedule of Events**

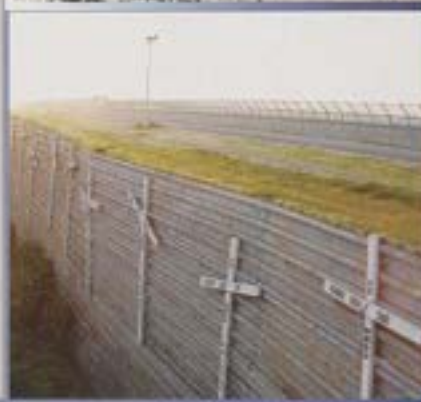

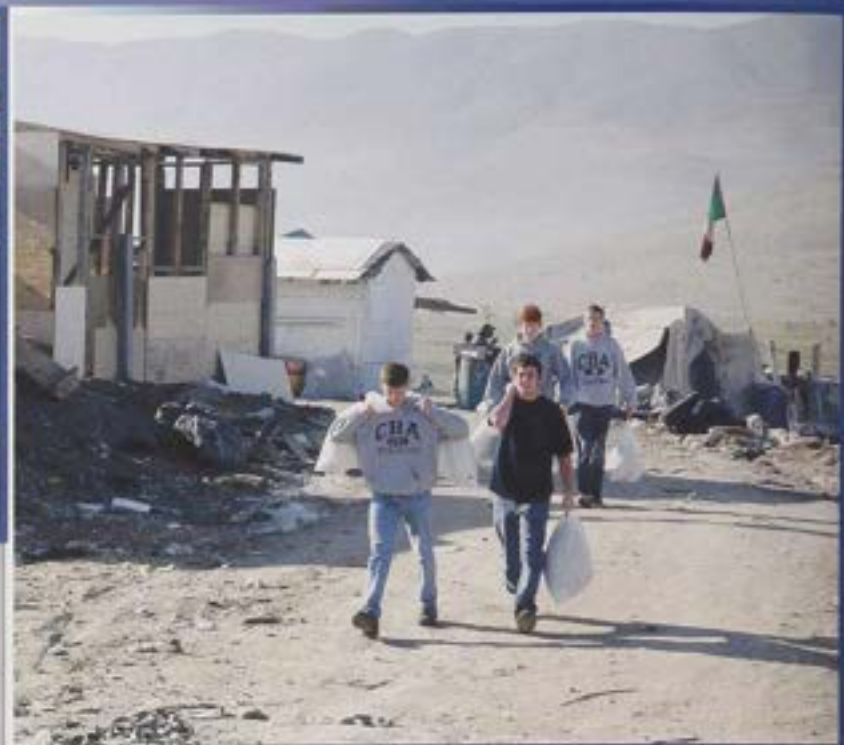

*Monday - Arrival*

*Tuesday - Tour of the city, food shopping, museum tour, dinner, evening prayer*

*Wednesday - Morning prayer, tour of industrial zone, meet with workers, visit to the poor and wealthy areas, cement making and pouring at local school, lunch with local family, visited border fence with crosses*

*Thursday - Morning prayer, served breakfast at soup kitchen, food shopping, meet with deportees at a shelter, dinner, sandwich making, evening prayer*

*Friday - Travel to town dump, distributed bagged lunches, departure.*

## VENAVER: COME AND SEE

The Christian Brothers San Francisco District established the VENAVER Program in 1988. "Venaver" means, "come to see" in Spanish. Annually up to 15 Lasallian schools (both colleges and high schools) send groups of students (5-10 in number) to Tijuana, Mexico to participate in a program of service, prayer, community building and cross-cultural awareness. For the first time in the history of the program, a school from the Christian Brothers New York district has participated.

Mr. Sewnig and Mr. Thawley accompanied 5 CBA students (Jimmy Hamill '08, Chris Cangialosi '09, Mike Dzema '09, Sam Holanov '10 and Eric Nordgaard '11) during their Holy Week participation in VENAVER.

When interviewed by the Asbury Park Press about their experience, Jimmy Hamill recalled the joy on the faces of the children he met, in spite of the economic poverty in which they lived.

Chris Cangialosi recalled the "town dump site" as an experience that left a lasting impression; where students distributed 250 lunches to men, woman and children who live along the side of the town dump in conditions that rival some of the worst living conditions on the face of the Earth.

Mr. Sewnig and Mr. Thawley both sensed it was a prophetic and moving experience to be with some of the poorest of the poor on Good Friday.

Following the trip, several local newspapers came to the campus to interview the students. Articles appeared in the Asbury Park Press, The Monmouth Journal and The Monitor among others.

# Spring Trips

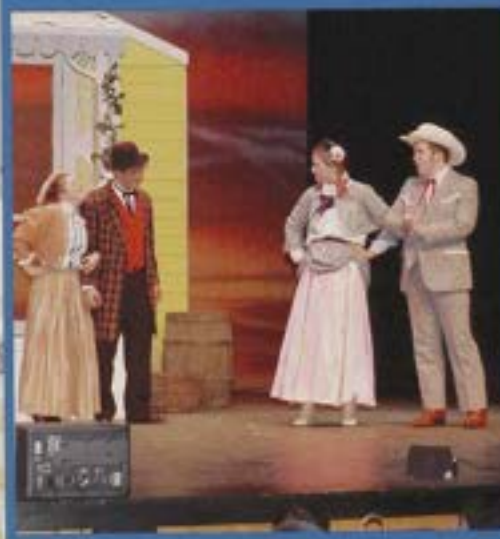

# OKLAHOMA!

# Arsenic and Old Lace

## *The Rude Awakening Program*

Founded by the Middletown EMS in 1994, The Rude Awakening Program has existed in the Township of Middletown for the past ten years. The program, over the past five years, has gained tremendous momentum. Through untiring efforts, preparation, and execution by the Middletown Township Police Department, the program has sent a clear and somber message to high school students regarding the devastating consequences of drinking and driving. The program consists of speakers from law enforcement, municipal court judges, lawyers, nurses, social workers, physical therapists, dentists, and parents of those lost from drunk driving incidences. Along with the assembly, the students experience what driving drunk really feels like. DWI Fatal Vision goggles simulate impairment while the students drive a golf cart through a coned-off course. Along with the hands on application, there is a basketball toss and a sponge toss while wearing the Fatal Vision goggles. Also students observed a mock car crash whereby police, fire, first aid, and paramedics would be dispatched. An Airbag simulator is also set up to deploy actual airbags, which demonstrate the forces on the body from the airbag while the passenger is unrestrained/restrained.

Mom remembers her son Robert, killed by a drunk driver

# Rude Awakening at CBA

# CLUBS

Here at the Academy a multitude of activities and clubs exists that provide a place for each of us to become involved in the CBA family. Students with an interest in writing can join the Arister or Newspaper, while others with a musical talent can involve themselves with one of the bands. Language and service-oriented clubs provide another avenue for growth.

Besides the camaraderie clubs offer, another benefit is the leadership skills that students can develop. Positions vary widely in the amount of responsibility a student can accept, however, if a student is interested, he will find an appropriate leadership role for himself. Leadership opportunities give students valuable lessons in working with others, leading group discussions, leading others in prayer, and leading through action and self-reflection.

# Ski Club

The members of the Ski Club make several trips during the in-season to ski and snowboard on the slopes of the North East. These trips, usually during weekends or during break, allow members to have an all-day experiences learning or perfecting the arts of snowboarding and skiing with their friends.

# Scuba Club

The CBA Scuba club introduces students to both the exciting and challenging world of scuba diving and the beauty and mystery of the underwater world. Club meetings provide a venue to learn about, discuss and experience scuba diving. Whether just exchanging dive tales, discussing the challenges of deep, cold water wreck diving off the Jersey Shore, or discussing our next big dive trip to an exotic dive destination, the CBA scuba club provides a safe, fun outlet for our members to immerse themselves in the wonderful world of scuba diving.

# L.E.A.D.

LEAD, originally formed by senior Ryan Nотреangelo, is a group of students dedicated to the refining and maintenance of the plants and nature in general around the campus. The major project for LEAD has been the cleaning of the CBA pond.

# Math Team

Varsity

The Math Teams, led by Brother Christian, participate year-round in various academic activities. Consisting of seniors for Varsity and juniors and sophomores for Junior Varsity, the teams meet once every cycle. During these meetings, students compete in the Catholic Math League, Calculus League, and Math Intramurals. Also, a select group of seniors and juniors meet once every month to represent CBA at the Shore Math League. Top competitors receive trophies and certificates at the end of the year.

Jr.

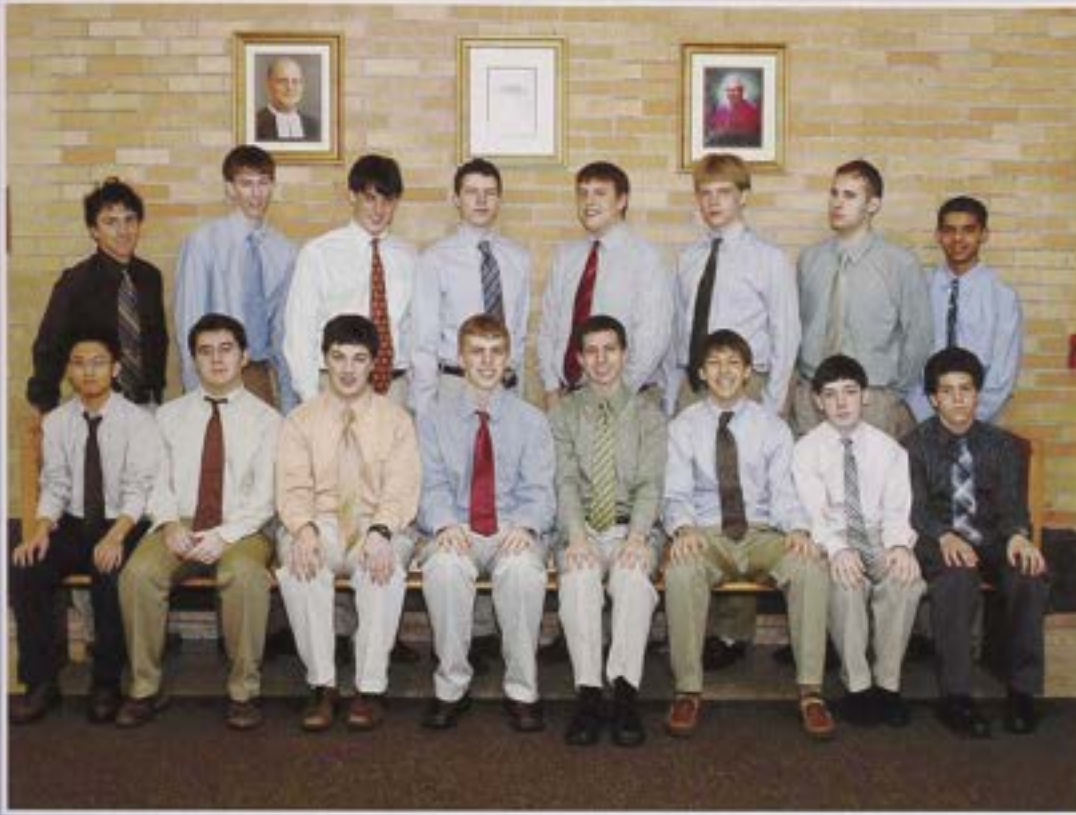

JV Soph

# Academic Team

The Academic team is a club comprised of some of the academy's most well-informed and inquisitive minds. Each year, Ms. Carroll recruits the top minds in the four classes to become members of the Academic Team. This team competes in Olympiads and competitions throughout the year; still, the members meet once every week to participate in intramurals and to basically review facts from all fields of academics.

# Science Team

The CBA Science team represents the Academy in various competitions and tournaments throughout the school year. Not only limited to taking tests, activities in which the team participates include building circuits, rockets, planes, and other creations.

# Pit Orchestra, Chorus, and Jazz Band

# Chess Team

Headed by Mr. Melosh and Mr. Babio, the Chess Team participates in competitive tournaments all-year round. This team contains some of the brightest minds in the Academy, and it shows in the awards gained by the end of the season. The Chess Team meets at least once every week, sharing strategies and moves that make each member even stronger on the board.

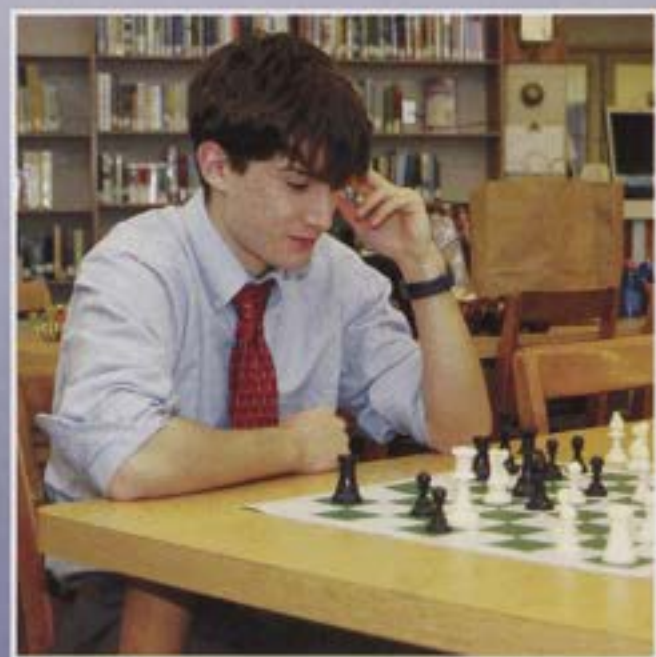

# Chess Club

Members of the chess club learn to play chess with skill and patience. Plays and strategies are learned and practiced within the club. In addition to offensive moves, defensive moves are learned as well.

# ARISTER

"Arister" is CBA's literary arts magazine. It is comprised of student's (and some faculty's and staff) stories, poems, photographs, and illustrations, and is designed and published entirely by the student staff. The annual "Arister" is a single issue distributed in the spring and its publication celebrates the CBA community's wide range of creative talents.

# THE ACADEMY TORCH

The Academy Torch is our school paper written by and for the students. We attempt to highlight important events in the lives of our students, teachers, and the Academy in general. We occasionally run stories regarding current events to get a CBA perspective on life outside of the Academy.

# FBLA

Future Business Leaders of America is a club dedicated to exploring the business and corporate world. Members are involved in researching and discovering economic possibilities of the future. They search for solutions to the problems with today's economy in order to produce a more efficient and productive business method. The Future Business Leaders of America seek a way to run a business with accuracy and proficiency. Trips are taken throughout the year to see examples of business practices in action in today's market place.

# CBA Photo Club

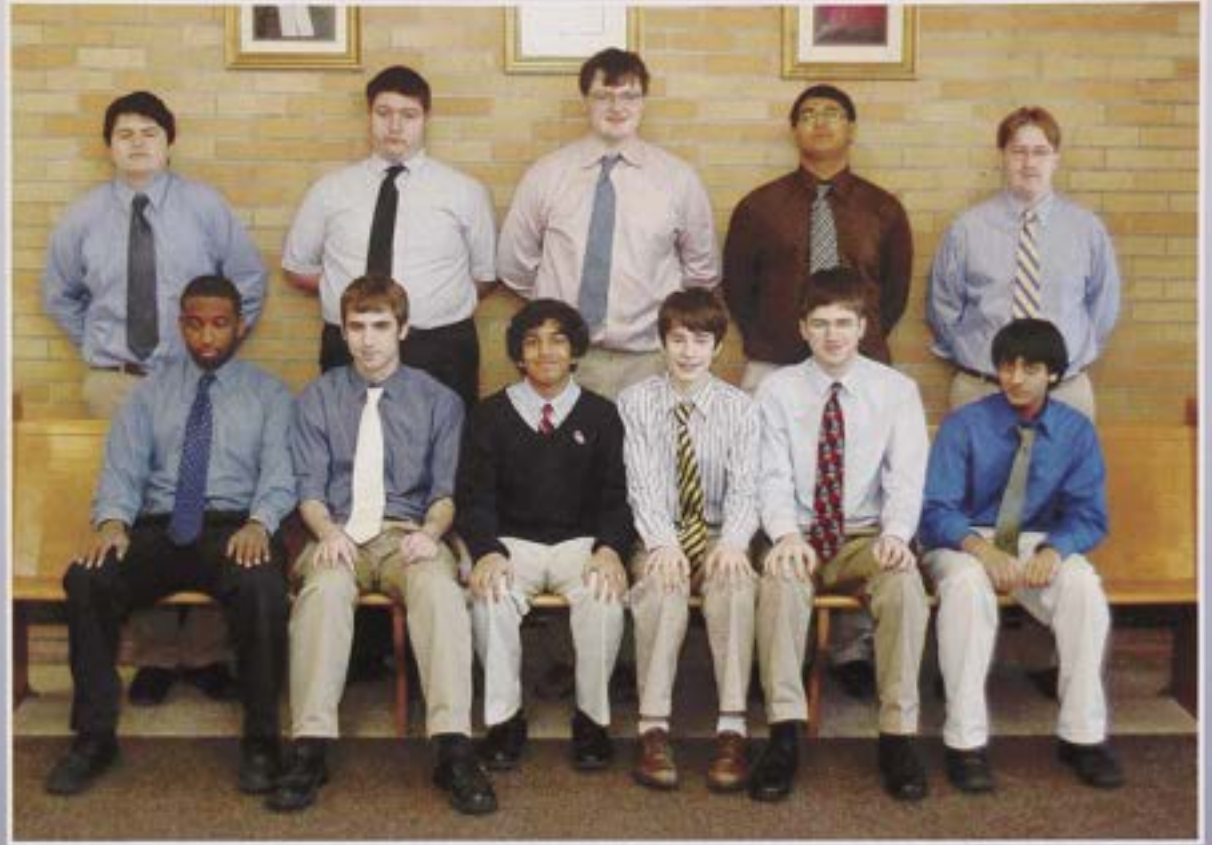

The CBA photo club is made of members with a common interest in photography. Moderated by Mr. Thawley, the club focuses on various themes and tries to meet every two weeks to go over photos each member has taken pertaining to the theme for that week. The Photo Club is also responsible for some of the pictures and candids that appear throughout the yearbook.

# Video Game Club

The video game club members play and explore new games. Different gaming consoles are used to give members different experiences in game play, and usage variants. Difficult games are challenged by members on all systems.

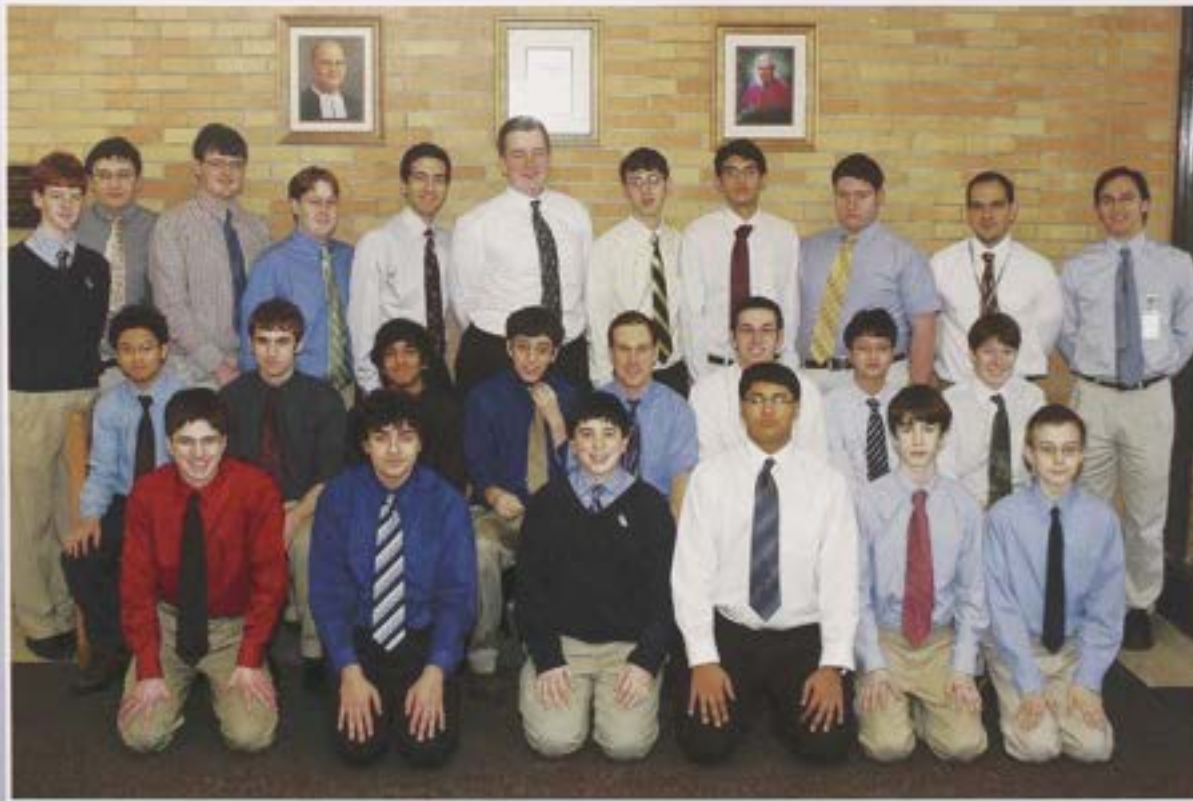

# Student Government

The Student Government, led by President Tom Bosco, organized several new events this year, including several dress down days, the semi-formal, and a tasty barbeque during a fall soccer game.

# Sci-Fi and Comic Book Club

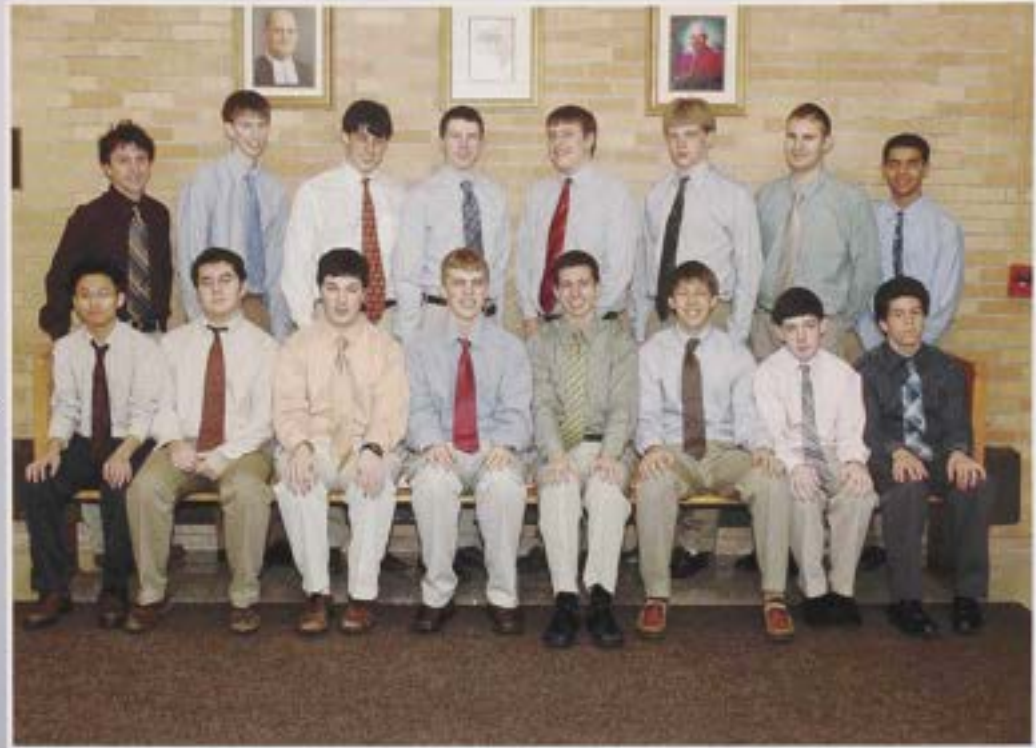

The Science Fiction and Anime Club is a club dedicated to the reading and reviewing of science-fiction prose and comic books. This club meets regularly in Henderson Hall; with hundreds of books to choose from, the supply of science fiction seems endless. Every meeting, each member chooses a couple of comic books and shares their views on characters, plot, and themes.

# JSA

The Junior Statesmen of America provides students who are interested in political science and current events with a forum in which they can discuss and debate topics that are current on the American political landscape. Chapter meetings consist of formal debates, presentations of research, team debates and informal discussion on major world event and topics. Many members attend regional conferences, where political debates, discussions, and presentations are held.

# Theological Debate Society

Students Against Destructive Decisions is a club where members choose to find ways to be strong, active members of society in a safe and secure way. Decisions that may lead to future problems are discussed and discouraged. This club also funds many healthy and fun student activities around the school.

SADD

# French Club

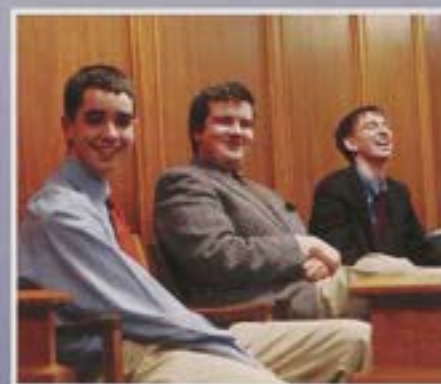

French Club is made up of members who seek to deepen their understanding to the French way of life. The language is further learned. Understanding the culture is also a goal of the club.

# Mock Trial

The Mock Trial team competes against teams from other high schools in an annual mock trial sponsored by the NJ State Bar Association. The competition, usually, held over the course of 1-2 weeks in February, takes place at the Monmouth County Courthouse in Freehold. Team members must spend a lot of time preparing for the trials. Each school prepares two separate teams, one on which students play the roles of attorneys and witnesses for the Defense, and the other on which students fill the same roles for the Prosecution or Plaintiff. Teams advance based upon winning verdicts. This year's case relates to the steroid-related death of a student athlete.

# Squash Club

# Model United Nations

WOMEN WHO STEPPED UP  
WERE MEASURED AS CITIZENS  
OF THE NATION, NOT AS WOMEN...  
THIS WAS A PEOPLE'S WAR,  
AND EVERYONE WAS IN IT.

The Model U.N. club meets regularly on Mondays after school in room 19. The club goes to conferences where they compete against other schools in a setting based on the United Nations. At these conferences, the students are assigned different countries which they then represent in debates. Students are required to do research on their nation so that they can argue in its favor. There were conferences at Harvard in December, and Georgetown in February. In their free time, the club members can act as tourists and go sight-seeing. There are also dances during the conferences.

# Ping Pong Club

The Ping Pong Club was one of the new clubs introduced this year. Kevin Carey and Anthony Kordahi decided to found this club with the hope of attracting intense competition in the sport one calls "Table Tennis." The club meets regularly, hosting bracket tournaments and matches.

# Celtic Club

# CBACCS

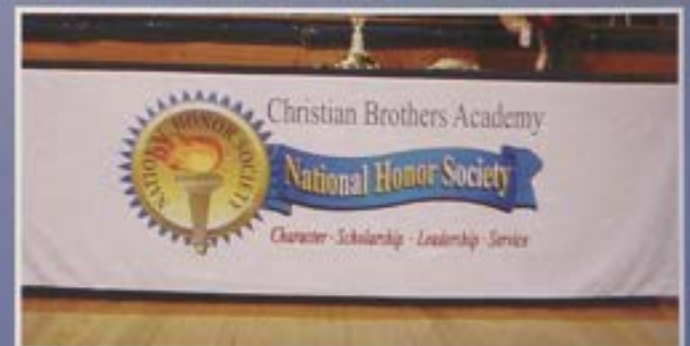

# Italian Culture Society

The CBA Italian Culture Society consists of many students who are interested in the culture and activities shared by the citizens of Italy. Throughout the year, the club sponsors movies, games, and provide food that attracts new members to join and learn about what Italian culture truly means. One evening is set aside for an Italian Dinner for its members.

# N.H.S and the Honors Convocation

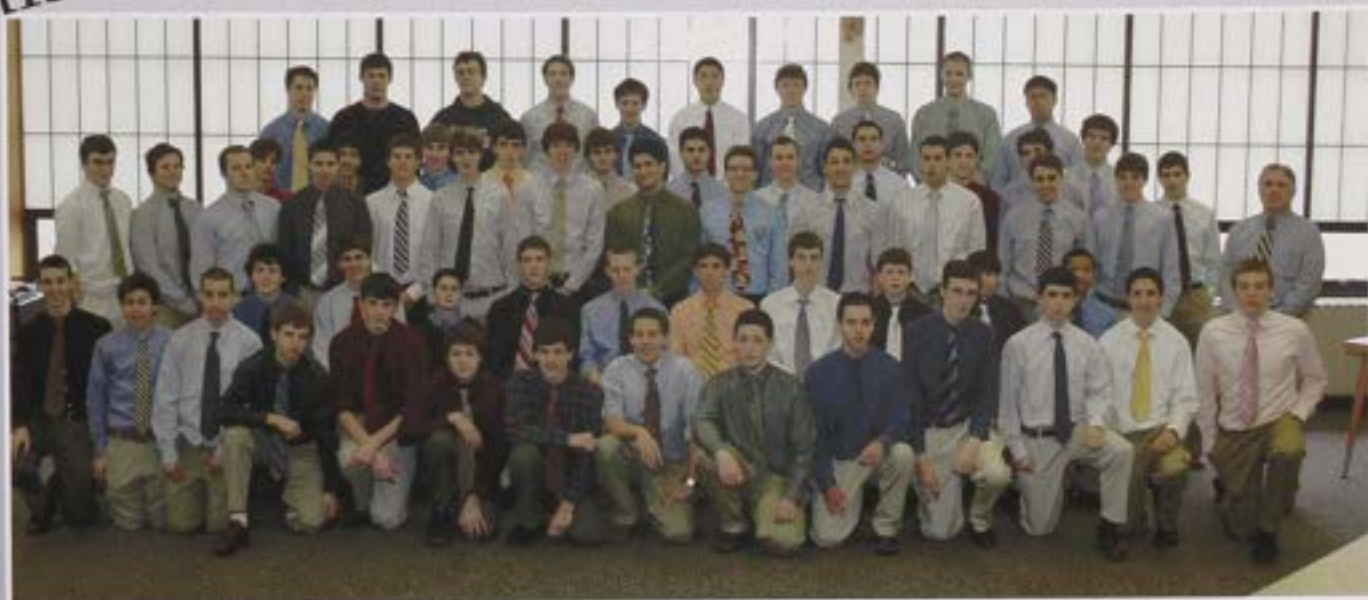

Being selected into the de La Salle chapter of the National Honor Society is one of the highest achievements a CBA student can pursue. This year, President Bill Sharp led NHS to promote the four pillars of Character, Scholarship, Leadership, and Service through various NHS-sponsored programs. Members are responsible for peer tutoring other students who need academic assistance, coordinating the Open House held for prospective freshmen, assisting in campus tours whenever necessary, and working closely with the administration to help facilitate events throughout the school year. NHS members represent the ideal students and serve as the models that younger students follow. At the end of their junior years and the beginning of their senior years, members are selected by a group of faculty based on their strengths in the four major pillars.

President Bill Sharp, Vice President John Himmelman, Secretary Sean Nelson, Treasurer Joe Neidermeyer, Parliamentarian Chris Ponce, Faculty Coordinator Dr. Garry Koch.

# Language Honor Society

Spanish

French

The respective Language National Honor Societies consist of the best students with the highest grades in their language courses. Starting sophomore year, students can qualify for the Honor Societies for receiving at least a 95 cumulative average. In many cases, members of the Honor Societies eventually move on to Advanced Placement Courses and gain college credits for language courses.

Latin

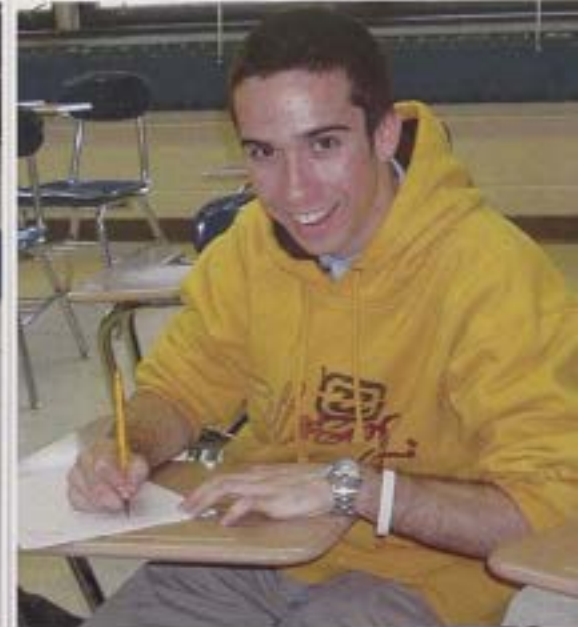

# Spanish Club

The Spanish Club offers students the opportunity to enhance their appreciation and knowledge of Hispanic culture. Throughout the school year, members participate in a variety of activities, from watching Spanish movies to playing Ping Pong. An annual tradition is a trip to watch a Spanish play and to eat at Juanito's in Red Bank.

# SPORTS

"ITS DINNER TIME"  
-COLT CRAZIES

"COLT CRAZIES"

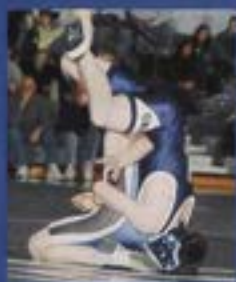

**SPORTS ARE AN INTEGRAL PART OF THE CBA EXPERIENCE. THEY ALLOW STUDENTS TO PURSUE ATHLETIC AND PHYSICAL EXCELLENCE, COMPLEMENTING THE ACADEMY'S RIGOROUS ACADEMIC PROGRAM. IN ADDITION SPORTS SERVE AS IMPORTANT SOCIAL EVENTS, AND CBA FANS, KNOWN AS COLT CRAZIES, ARE FAMOUS FOR THEIR DEVOTION TO THE SCHOOL'S TEAMS.**

**AT ITS CORE, HOWEVER, THE SPORTS PROGRAM HAS RETAINED THE ESSENTIAL ELEMENTS THAT HAVE ALWAYS MARKED CBA OUT FROM OTHER SCHOOLS: A STRONG DEVOTION TO SPORTSMANSHIP, CAMARADERIE AND DISCIPLINE.**

6 FEET DEEP

# VARSITY BASEBALL

## Varsity Baseball

After a 25-6 season the Colts look to rebound after losing such star players like Kyle Slate and Jim Laufer. CBA's lineup this year is said to be one of the best (if not the best) in Monmouth County. Though the lineup is senior heavy, including Steve McSherry, Henry Rinkewich, and Jordan Gilruth, a surprise sophomore Mike Hanlon hopes to get in the mix. The pitching lineup includes John Moller, Remy Cohen, Jordan Gilruth, and junior Pat Light. Under the 35-year guidance of coach Marty Kenney, the colts hope to defeat Colts Neck who previously defeated them in the class A Northern Championship.

[Top Row] - Nick Falcone, Matt DiPoalo, Tyler Cuming, Remington Cohen, Pat Light, John Himmelman, Mike Zuppe, John Moller  
 [Middle Row] - Henry Rinkewich, Stephen McSherry, Pat LeCompte, Steve Rosone, Anthony Cirillo, James Yacabonis, Zach Tanenbaum, Mike Rossi  
 [Front Row] - Dan Avella, Mike Hanlon, Steve Hicks, Rick Berger, Shawn Purves, Jordan Gilruth, John Petrozziello

# JV BASEBALL

## Varsity Lacrosse

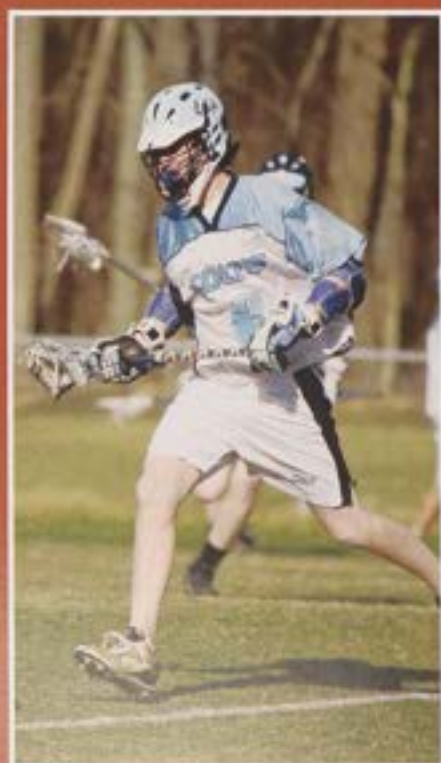

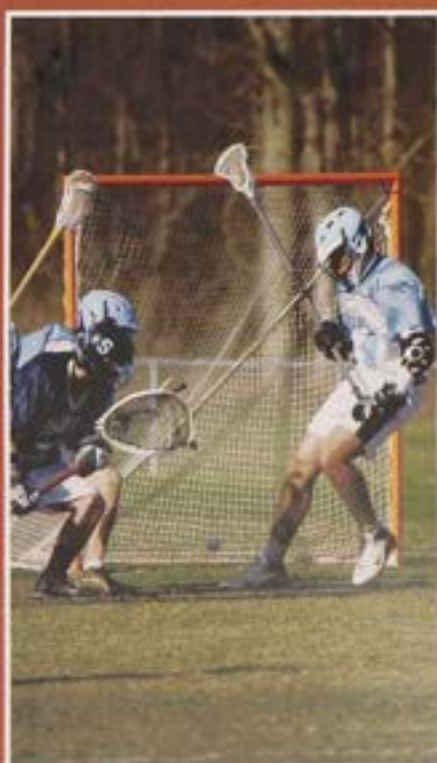

Last year the CBA Varsity LAX team led a most impressive roster of 14-6. After winning the Shore Conference Tournament Championship the Colts look forward to another fantastic year. Led by coach Dave Santos(10th season), the team looks to gain back their offense after losing many seniors. Although it may seem a bit like a rebuilding season for the Colts, they are already off to a good start.

# Lasallian Educator

Tim Sewnig is a master teacher, a highly respected coach, and an esteemed colleague. Serious in purpose, Mr. Sewnig has relinquished this year, some of his teaching responsibilities to concentrate on his efforts in Campus Ministry. He has introduced several new programs in Campus Ministry centered on a more personal and direct service to the poor.

The first such program was the Fall service trip to the San Miguel School in Camden. A second program he has organized was the Spring Break service program to a Lasallian school in Tijuana, Mexico. Humble and sincere, Mr. Sewnig is the force who rolls up his sleeves and coaxes students to help make sandwiches and prepare lunches for the homeless during their free periods. He organizes and accompanies the Lasallian Youth in distributing these meals on the streets of Asbury Park. Mr. Sewnig teaches the Senior Christian Service course helping students gain the required placements, overseeing their volunteer activities, and focusing his lessons on the salient spiritual growth reached from such experiences.

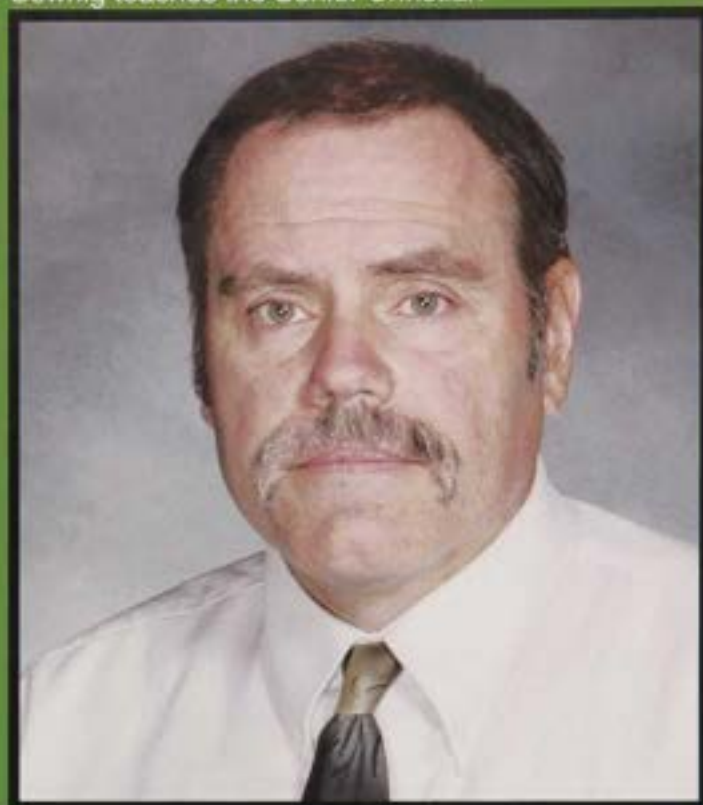

Mr. Sewnig coordinates the Thanksgiving Food Drive, the Lenten Mission Collection for our sister school in Kenya, all the class retreats, and family class Liturgies. Mr. Sewnig serves as an important member of the Lasallian Committee, always eager and willing to help plan prayer services, lead discussions and guide CBA toward becoming a more animated

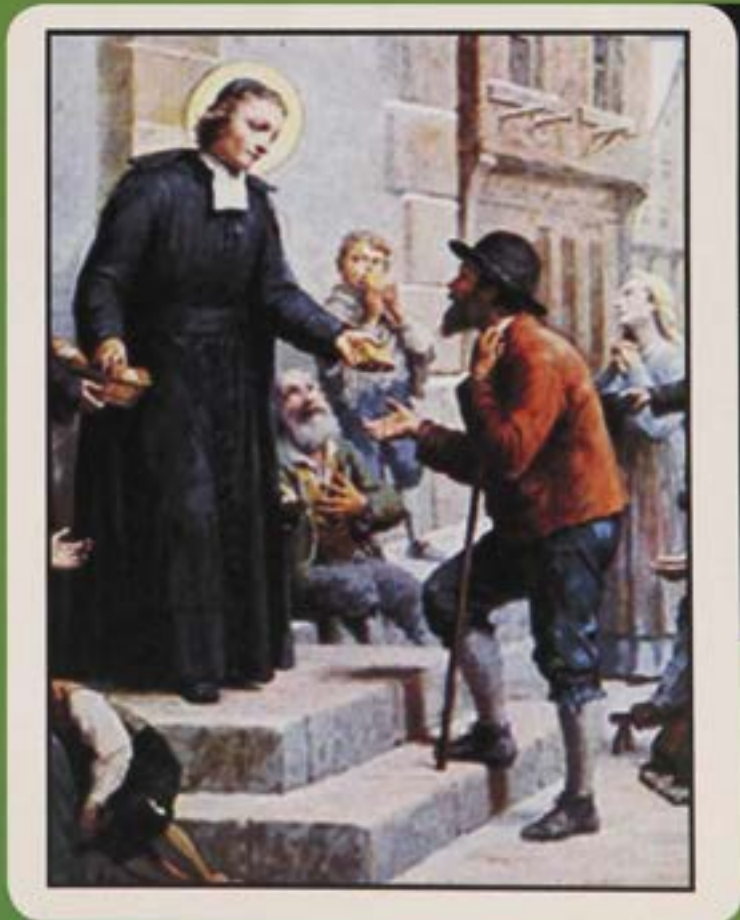

Lasallian Community. Mr. Sewnig never lets us forget that God is the true purpose for our school and that we at CBA have the vocational obligation to touch the hearts of each and every student, while aiming to procure their salvation. Mr. Sewnig is a dedicated husband and father who tirelessly works summers at CBA to provide for his family. He and his wife,

Catherine also a High School Campus Minister, have a deep and committed faith which leads them in their ministerial roles and welcomes services to others, especially the poor. As Saint John Baptist de La Salle reminds us that God calls us to the work we do, Mr. Sewnig provides the students and faculty of CBA the model which best illustrates the virtues necessary to truly be a Lasallian Educator.

# ENGLISH

## DEPARTMENT

Students at CBA are required to take four years English. English II covers American Literature, English III reviews British Literature and the basics of writing a research paper, and Senior English surveys major literary and philosophical works. In addition, students write various literary analysis and expository

essays that stress understanding of grammar, style and vocabulary. Students that show a particular competency in language may take AP English. Seniors may choose from a wide variety of electives, including Film Study, Myths, Dreams, and Cultures, and College Writing.

# HISTORY

## DEPARTMENT

The CBA History Department offers courses designed to increase the students knowledge of the world's major events while providing the foundation for intellectual discipline. This is achieved through a variety of courses such as World History, either Standard or Honors, US History I and II, either Standard or Honors along with a wide variety of Advanced Placement courses. There are a variety of Advanced Placement courses

including AP US History, AP European History, and AP Psychology that are provided for students who demonstrate excellence in the field. Introduction to Business, American Government and Psychology are standard courses provided for students who want to develop a strong foundation in the respective fields. Introduction to Business acquaints the students with various aspects of modern commerce. American Govern-

ment, taught by Mr. Keane is a course that helps students better understand the government of the United States. Students interested in building a foundation for future study of the complexities of the brain are invited to take Psychology taught by Father John. This introductory course covers all aspects of the human brain. Students are taught about different mental diseases along with learning about the processes of the brain.

# World Language

DEPARTMENT

SALVE! SALUT! HOLA!

In the changing and shrinking world of today, the World Languages Department believes that all students should have the opportunity to pursue the study of world languages. The language classes are designed to develop proficiency or the ability to use on language in a meaningful and functional way. The

World Languages Department provides students with an awareness of other cultures so that they have a greater understanding and appreciation of their own cultural heritage.

There are four-year programs in French, Latin, and Spanish. For some students, the fourth year is an Advanced Placement

course or a fifth-level class. Every student at Christian Brothers Academy must fulfill a three-year sequential requirement of one world language.

# MATH DEPARTMENT

The prestigious CBA Math Department has a legacy of excellence. Almost all CBA students take at least four years of mathematics in which they can take advantage of CBA's vast selection of Standard, Honors, Accelerated, and Advanced Placement courses. There are three Advanced Placement courses offered. The most challenging course is Advanced Placement Calculus BC, which provides an advantage for

students wishing to major in mathematics, physical sciences, or engineering. All levels of courses are challenging, which results in excellence performance on the students' PSAT and SAT math tests. In addition to rigorous courses, the CBA Math Department has a dedicated and encouraging faculty, consisting of eleven of the most talented teachers in the field. CBA has math teams competing on the varsity and junior

varsity levels. The students who are a part of these teams strive to continue the school's history of incredible success.

# RELIGION

## DEPARTMENT

Religion Classes are a requirement for all students, all four years they're at CBA, and for good reason! *Religious Studies* is a different kind of class because the subject, and the teachers, have a direct and immediate impact on students' lives. So many of the classes here are geared to the future; reli-

gion classes address the future, but have immediate relevance. Although solidly academic, the Religious Studies Department offers more than just intellectual development: it offers an open, understanding, and educated ear to the students. Our religion teachers are here for anyone and everyone, Catholic

or not, Christian or not, to listen and talk to, even if it's just about life in general.

# SCIENCE

## DEPARTMENT

CBA's Science Department boasts a wide variety of courses, especially those that go beyond the normal biology, chemistry, physics classes. For example, there are Environmental Science, Environmental Issues, Anatomy and Physiology, Astronomy, and Marine Biology. The department also offers five Advanced Placement classes, all of which offer instruction in a specialized area. Biology, Chemistry, Physics,

and Environmental Science. The department makes use of the three state-of-the-art science labs, for many of its classes. The Biology lab has a variety of animals, which is a great source of interests for every student. The Chemistry lab is fully equipped with computers, and digital measuring instruments, which are used frequently. The Physics lab is totally hands-on and students enjoy participating in labs. Every

student must take three years of a science, but many, if not all, decide to take more than that.

# GUIDANCE

## DEPARTMENT

The Guidance Department does its usual fine job of helping students to chart their individual courses through life at the Academy, and to plan for what lies beyond life in high school. In recent times, the role of this department has expanded, providing ever-better responses to the challenges faced by contemporary students. From regular contact with students to crisis intervention, the counselors offer experience,

compassion, and a consoling (or when needed, a challenging) word.

## CLASS OF 2008

## SENIOR YEAR:

Senior year represents the culmination of our CBA LaSallian education. The college admissions process dominates most of the year. In the fall, students rush to complete their college applications. In the spring, their college acceptances arrive, and they are forced to make difficult decisions about where they will be living and studying in the fall. After early easter break, most seniors find themselves in the senior lounge, playing video games or competing at ping pong and billiards. Following their bacalorate mass and graduation ceremonies at Brookdale College, graduates say their final goodbyes and have the rest of the summer to make money for college and to enjoy the beach.

# Senior Retreat

# CLASS OF 2008

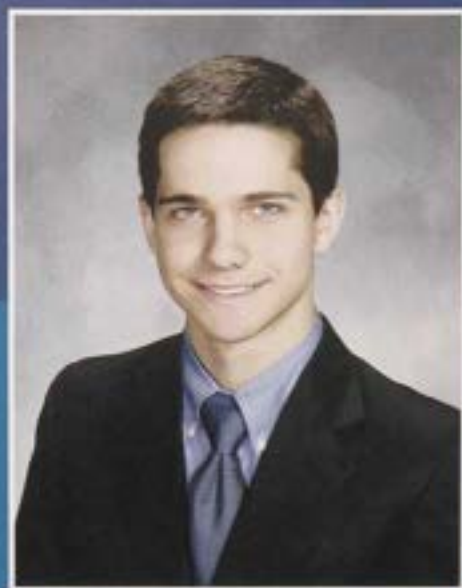

A yearly retreat is necessary in order to fuel the spiritual development so essential to a dynamic CBA education. The senior retreats were held at St. Gabriel's Church in Marlboro and were coordinated by Father Paul, who was also in charge of the junior retreats. The senior retreat was a continuation of the junior retreat and presented the senior class with issues and situations that they will have to face in the coming years. While learning to "pack their parachutes," the seniors also learned more about each other as well as about themselves. A successful endeavor, the senior retreat represented an increased level of maturity in the senior class.

# SENIORS

Although senior year officially began with the orientation day in September, it psychologically began with junior prom, which was held at Doolan's in Spring Lake Heights on May 11, 2007. By this time, the previous seniors had already left the school, so the juniors were the only remaining upperclassmen. At junior prom, they transitioned into the leaders of the Academy, enjoying a well-earned respite from a week of Advanced Placement exams and relishing in their newly established positions. The junior prom was a defining moment in many of the juniors' lives and served as a symbolic ceremony for the bestowal of senior status among the juniors.

## Remember When ...

Rinkewich got kicked out of the Freshman Orientation assembly for sleeping... Brother James yelled "fools" before prom... Schmalz couldn't light the candle during mass... Kilkenny crashed his car into a mailbox then totaled it 6 months later... Harris wasn't absent... Misch got a central before school started... Alex Susanto fell into the mud during the Freshman Run... Brother Stephen confiscated 20 cellphones in the cafeteria in one minute... Mr. Fales picked up Lannon while he was still in his desk... the lockers were ziptied... Mr. Fales lit his shirt on fire... we used to get snow days... Dan Werner lead the basketball team... Mr. Duh did a handstand in class... Molzon had an "accident"... Brother Cyril and Brother Joseph rapped... Mr. Fales' dog was small... the national record was broken for cross country... Mr. Stajk taught computers... we wore lanyards... Mr. Lelesi... Mr. Prioli didn't have a beard... Mr. Higgins sang the Spongebob Song... Chris Gorman had an accident... Kyle Bowler chipped his tooth running after the buses... Karpus's bracelet... Mr. Fales taught biology... we didn't have smartboards... St. John Baptist de La Salle... Pray for us... Live Jesus in our hearts... Forever.

# JUNIORS

## CLASS OF 2009

## JUNIOR:

No one can deny that junior year is the hardest year at CBA. This is the year that many students take AP classes for the first time; it is also the year whose grades matter most for college admissions. It is also a year of increased responsibility and maturity: most students get their licenses this year, many take on jobs, and some earn leadership positions in extracurricular activities. This is the year as well that students must become serious about the college admissions process; as a junior, the student faces the difficult task of reconciling his future ambitions with his actual abilities. Junior year can be overwhelming, but it is also exciting. Having passed through two years at the academy, the junior commands a new sense of authority and respect; if he excels in scholarship, character, leadership, and service.

3. James McMillan accompanied by both his parents attended the Junior Ring Ceremony

4. Kenny Reid, Brian Schmalz, John Kelly and Brian Neller received pins at the ceremony.

# Junior Ceremony

On October 24 the class of 2009 gathered together and celebrated the transition from underclassmen to upperclassmen. The ceremony was a new rite of passage that allowed us to focus on our new goals responsibilities and commitments for the year. With the college admissions process around the corner and the stress of the academics, this ceremony was very much needed to remind us and encourage us for the tough road that lies ahead.

# SOPHOMORES CLASS OF 2010

## SOPHOMORES:

Sophomore year is a time of great change. A sophomore is no longer a newcomer to the academy; he has successfully made the difficult transition from middle school to high school and he is now ready to be an active member of the LaSallian tradition CBA strives to uphold. Over the course of tenth grade, a student comes to a new understanding of himself, spiritually and academically, and he also faces new responsibilities: he begins to drive, and he starts thinking more concretely about college. Ultimately, the year is a rewarding one of personal growth and self-discovery.

# Freshmen Class of 2011

## FRESHMAN:

There are many ways that CBA is preparing its Freshmen for their futures. CBA offers many extra-curricular activities to get Freshmen involved. Aside from the fact that the Freshmen may participate in these activities to have fun, they are an opportunity to learn cooperation and teamwork.

Most important are the educational programs and the introduction to LaSallian spirituality that are offered here at CBA. The Freshmen's schedule gives a great background for success at college, and in life. From Algebra to Biology, History, and Health, we learn so much. We hope this will benefit us throughout our careers at CBA, college, and our professional lives.

## CHRISTIAN BROTHERS ACADEMY

850 Newman Springs Road • Lincroft, NJ 07738-1698

Telephone: (732) 747-1959

School Office Fax: (732) 747-1643

Development Office Fax: (732) 576-8057

Dear Graduate:

Your four years at Christian Brothers Academy have come to an end. You have finished the course and you have won the race. Congratulations on having a good four years and on graduating from Christian Brothers Academy.

I am pleased to be able to share with you some of my experiences over these three years with you. I commend you for staying focused on your classes and your academic progress. You have achieved well and worked hard. This is evident by the many who received honors this year and the many acceptances to strong colleges.

As a Catholic school in the Lasallian tradition I witnessed and felt your participation in the spiritual life of the school. The faith dimension you have shared with us is a blessing for Christian Brothers Academy. I encourage you to continue to grow in your faith and in the practice of your faith. Several of you were actively engaged in various ministries offered by campus ministry. I would hope you would continue this in your parish and college campus. Continue to pray as we did together each day of your years at CBA. You have been deeply involved in service and out reach to others. Please carry this sense of service with you throughout your life. This is our call from Baptism.

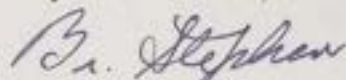

I saw so many of you involved in after school activities, and on sports teams. Your commitment to the activity and to the team measured your excitement in being involved and being a part of something outstanding. Your presence and support of various events was noted and appreciated.

Go from Christian Brothers Academy with confidence, with trust, and with good memories and friendships. Thank you for being a part of CBA. Christian Brothers Academy is a better school because of you.

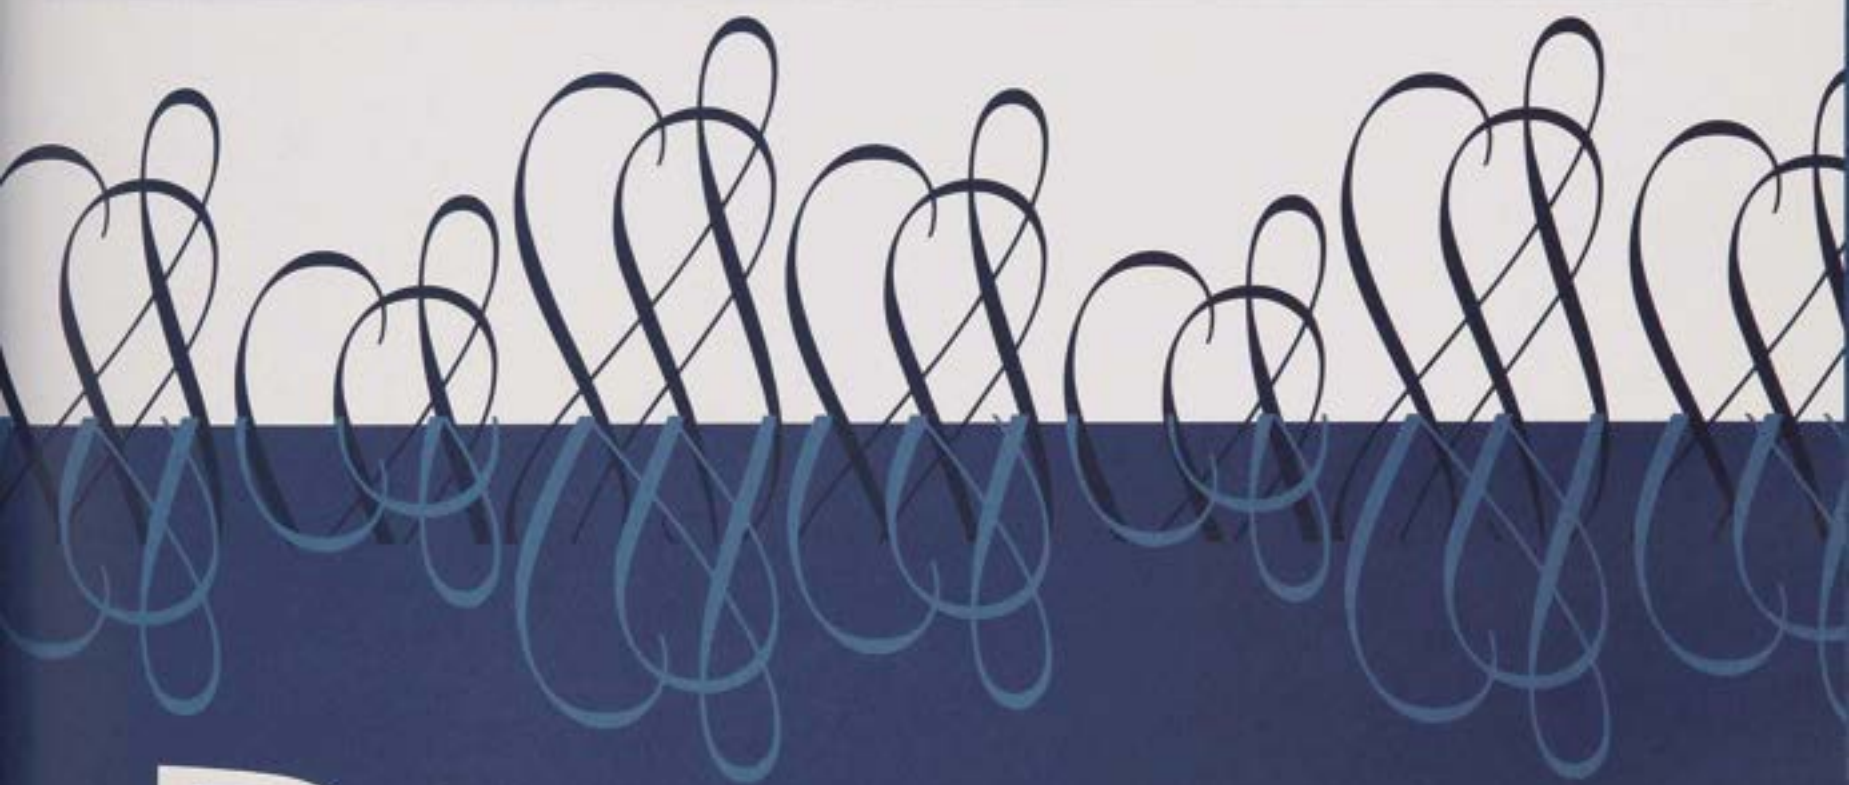

As you go forward, always remember *that we are in the holy presence of God.*

May you and your family always have the gift of Love, the blessings of Hope, and the promise of Peace. God love you!

Sincerely in De La Salle,

  
Br. Stephen Olert, FSC

# CLASS OF 2008

John Shinnick  
29 Court Drive  
Shrewsbury, NJ 07702  
"Purple drumstick buy  
me a gold fish!"

Graham Smith  
13A Oceanview Terrace  
Highlands, NJ 07732

Philip Smith  
3 Blair Court  
Spring Lake Heights, NJ  
07762

Andrew Soloway  
30 Victor Avenue  
West Long Branch, NJ  
07764

"The path of the righteous  
man is beset on all sides  
by the iniquities of the  
selfish and the tyranny  
of evil men. Blessed is he,  
who in the name of char-  
ity and good will, shep-  
herds the weak through  
the valley of darkness, for  
he is truly his brother's  
keeper and the finder of  
lost children. And I will  
strike down upon thee  
with great vengeance and  
furious anger those who  
would attempt to poison

and destroy my brothers.  
And you will know my  
name is the Lord when I  
lay my vengeance upon  
thee."

- Samuel L. Jackson, Pulp  
Fiction

Andrew Somma  
3 Brinley Drive  
Matawan, NJ 07747

Nicholas Spagnole III  
105 Starlight Rd.  
Howell, NJ 07731

Robert St. Denis  
540 Albermarle Rd.  
Brick, NJ 08724

"The only thing that in-  
terferes with my learning  
is my education."  
- Albert Einstein

Alec Stender  
1802 Dunhill Way  
Wall, NJ 07719

John Straub  
697 Middletown Lincroft  
Rd.  
Lincroft, NJ 07738

"Forget it, man, and get  
with the countdown.  
Shake this square world,

and blast off for kicks-  
ville."

Alexander Susanto  
7 Hoffer Court  
Englishtown, NJ 07726  
"Dumplings taste bet-  
ter when shared with  
friends."  
- Yoh Asakura

12 Double Creek Pkwy.  
Freehold, NJ 07728

Michael Zuppe  
4 Royal Road  
Freehold, NJ 07728

# Editors' Note

Throughout the school year, a staff of four to six students worked Monday to Friday, trying to bring new ideas and layouts to the book. With our lack of staff members, we succeeded in completing the 2008 yearbook. In truth, the completion of the yearbook came down to a "Photo Finish."

We would first like to thank Mr. Thawley, who was a source of guidance, humor, and encouragement. Mr. Thawley took many of the pictures that appear in the yearbook and helped with the editing and proofing of pages. He also paid for the pizza and food that we needed to keep our fingers pumping at the keyboards.

We would also like to thank Mr. Mike Cannon, our Jostens Sales Representative, who worked with us through our missed deadlines. A special thanks to Normandy Studios, who assisted in taking candids and team pictures.

We thank Brother Stephen, Mr. Santanello, Mr. Fales, and Brother Andrew for their support and for their ideas about what to write about.

Though very few in number, our dedicated staff members made this yearbook possible. We thank Chris Chan for being our go-to guy in terms of editing pictures. Joe Ugalde helped take pictures and candids. We also thank Christian Ndreko for writing for some sections and for his input for the senior section, as well as Rich Einwechter for writing club and sports descriptions.

We hope that you enjoy the book for many years to come.

St. John Baptiste de la Salle ... Pray for us!  
Live Jesus in our hearts ... Forever!
