Office of the President

May 23, 2013

Dear Class of 2013,

On behalf of the Brothers, Administration, faculty and staff, I congratulate you on your graduation from Christian Brothers Academy!

It seems that it was just a short time ago that you arrived on the campus as freshmen, and I began my term as President. I can honestly say that it has been a pleasure to have worked with you over these past four years.

As a graduate of CBA, I know how much my four years here impacted my life, even to this day. The education, friendships and life lessons I learned during my time have had a positive and lasting effect on me. I hope that you will find this to be true in your own life as time goes on.

Our school motto, *Religio, Mores, Cultura*, proclaims the goal of Christian Brothers Academy: to guide the boys who arrive on our campus as they mature into responsible men of faith, ready to take their places as leaders in our Church, society and the world. I pray that you may continue to grow into the men God has called you to be.

Finally, I want to thank your parents and guardians for the sacrifices they made in order for you to receive the benefits of a Lasallian education.

Saint John Baptist De La Salle... Pray for Us.

Live Jesus in Our Hearts... Forever!

Mr. Santanello

Mr. Peter Santanello joined the faculty of Christian Brothers Academy in 1974 as a math teacher. In 1982, he was appointed Academic Dean by Brother Andrew O'Gara F.S.C. and then went on to become the Associate Vice Principal for Academic Affairs. Mr. Santanello held this position over the span of four principals and throughout this time has continued to teach and has helped to improve the school for both students and faculty. His hard work was rewarded in 1997 when he received the Distinguished LaSallian Educator Award. In the spring of 2012, Mr. Santanello was appointed as the first lay principal of Christian Brothers Academy. Mr. Santanello has been contributing to the CBA community since he began here 38 years ago. His hard work and effort has helped to make CBA the great and prestigious school it is today, and his leadership continues to benefit CBA and add to its tradition.

Spring 2013

Dear Men of the Class of 2013:

When I think of your class it will be as the "Class of Super Storm Sandy." That horrific storm, as well as the many exciting and challenging experiences you have had over the past four years have tested your belief system, helped you to grow and formed you into the men you are today. In retrospect, there was a positive side to the storm in that it served as a catalyst for the magnification of all the great qualities inherent in the men of your class - intelligence, strength, perseverance, generosity, and commitment to Gospel Values. What you did so selflessly to help others during the storm goes beyond being noteworthy - it was miraculous. You are: Men of Faith, Men of Character and Men of Accomplishment. There is no doubt in my mind that you, as Men of Promise, will be of great worth to your Church and country!

This book encapsulates the history of your class and includes the many great things you have accomplished and experienced over the past year - your legacy to CBA. I hope, that as time goes on, it will grow in value to you as you reflect on good times, good friends and those who have helped you during the past four years. I encourage you to maintain your relationship with the CBA Community and to continue to nurture those friendships formed during the past four years.

Just as no other storm will ever be named Sandy, your class will always be unique and held in high regard in the annals of this great academy.

My prayer for you is that you remain faithful to the Gospel and the Lasallian Ideals we have so diligently tried to impart. Strive to be happy and successful while looking for ways to serve others. And most importantly, come back and visit us!

Sincerely,

A handwritten signature in blue ink that reads "Peter R. Santanello".

Mr. Peter R. Santanello, M.S., Ed.M.
Principal

Welcome New Faculty

Mr. Kevin Huvane

Mr. Huvane has his B.A. and M.A. from Fordham University and his M. Phil. from Drew University. He teaches English III and IV.

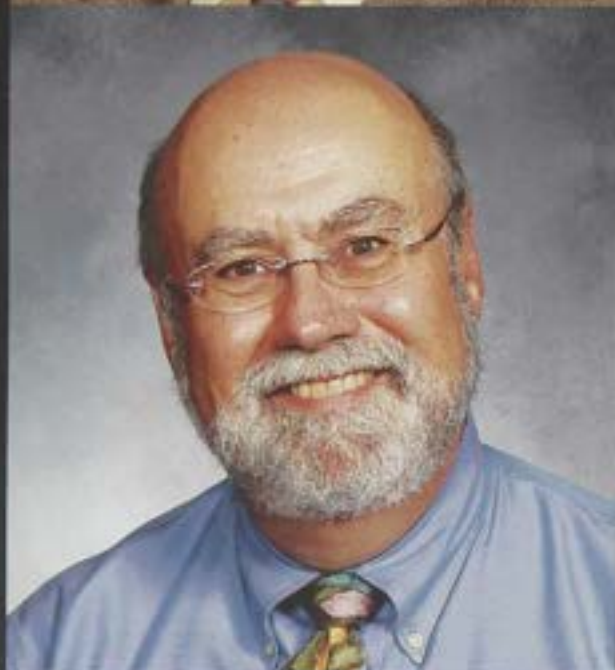

Mrs. Megan Belford

Mrs. Belford has a B.A. from Rutgers University and a M. Ed. from Rutgers as well. She teaches English I and English IV.

Mr. Steven Middler

Mrs. Nevine Sidhom

Mrs. Sidhom has a B.A. from the University of Alexandria in Egypt. She is the first ever Arabic teacher at CBA.

Farewell

This year, a number of teachers are retiring. In honor of all of their years of teaching at the Academy, we would like to dedicate a page to all of them and for all of their hard work. These teachers have helped to shape the minds of many CBA students and they are some of the reasons why CBA is such a great school. On behalf of all of the students at the Academy, we would like to say thank you for everything you all have done for us. We will always be thankful and you all will be missed.

Mr. William Ryan - 11 Years at CBA

Mrs. Jeannine Maloney - 24 Years at CBA

Mrs. Virginia Decker - 38 Years at CBA

Mr. David Smith - 27 Years at CBA

Sandy pounds east coast

On October 29th, Sandy made landfall near Atlantic City, NJ causing destruction to millions of Americans . People from Florida to Maine and as far west as Michigan were affected by this superstorm. For the first time in school history, CBA was canceled for 2 straight weeks due to mass destruction and extensive power outages. There was even a snow storm the Wednesday after Hurricane Sandy devastated millions. Despite the destruction, many CBA students came together and assisted in the recovery efforts.

President Obama and Governor Christie view the devastation by helicopter as seen from Point Pleasant Beach

Bay Head, NJ the day after

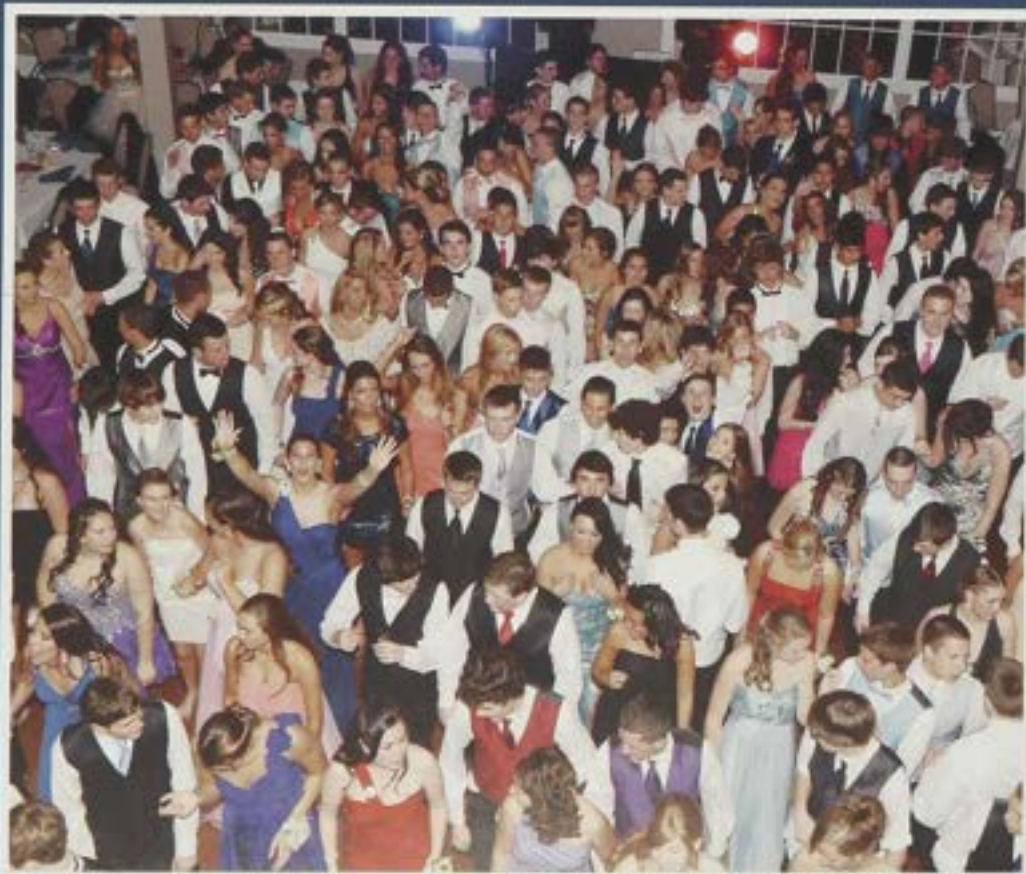

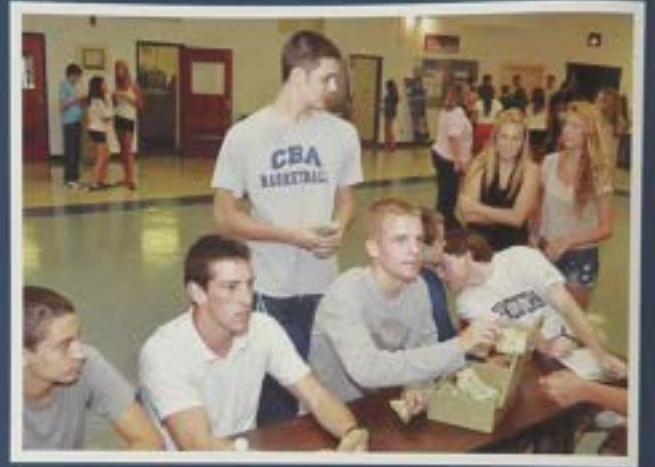

Ocean breached Mantoloking at the base of the Mantoloking bridge (above) Seaside pier ride below

An account from a CBA student whose house was destroyed by Hurricane Sandy:

On October 29th, the final preparations for Hurricane Sandy were completed on my house in Sea Bright, New Jersey. I went to bed that night, expecting a hurricane similar to Irene, little did I know that that was the last night I would ever sleep in my house again. We came back to the town I had once called home, with mounds of sand in the streets, and houses completely flooded. My house had gotten five feet of water. Enough to fry any wiring in the walls, along with destroying every possession my mom and I owned on the first floor. This hurricane, although devastating, taught everyone on the Jersey shore a powerful lesson. The one thing I have learned, from all of this, is that people, no matter how rich or how poor, will reach across social classes to help those in need.

Clubs

LaSallian Youth

LaSallian Youth is the primary service organization here at Christian Brothers. Founded in 2001, this organization is one of many chapters in LaSallian schools around the world. Members of LaSallian Youth travel to Asbury Park twice a month, where they offer food to the needy and tutoring to the youth at Rev. Jackson's after school program.. In addition, this group supports several charitable events, such as the Zilinski Run. and Family Promise. LaSallian Youth members also have the opportunity to participate in major service trips. In recent years, students have traveled to Niagara Falls, Mexico, Nicaragua, and a Blackfeet Native American reservation in Montana.

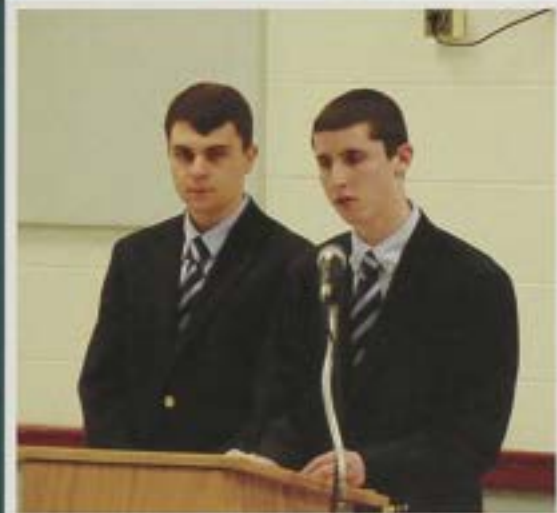

S.A.D.D.

Students Against Destructive Decisions is a club that promotes the well-being of the student body in terms of the many peer pressures that high-school students face. The club meets throughout the year for various activities and events. Activities include listening to speakers and watching videos on topics such as drunk driving, drug addiction, steroid abuse, self-image, bullying, stress, and relationships. The club works closely with Mr. Fales to develop appropriate programs for student life. SADD events include the annual Zilinski Run, the Pasta Dinner for the troops, the three-on-three basketball tournament, and the Charity Talent Show.

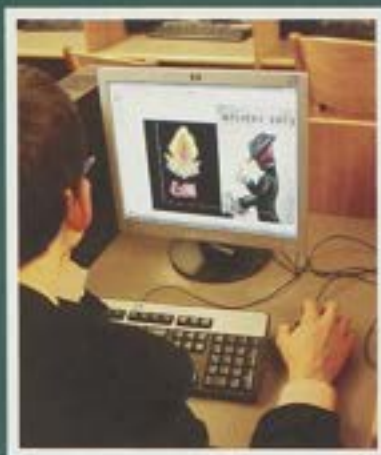

Academy Torch

The Academy Torch is CBA's own newspaper that features student-written articles recounting recent happenings around campus, sports news, and various other current events. Under the moderation of Ms. Bilohowski and Mrs. Chesek and the leadership of editor Matt Chrystal, this year's staff has done an excellent job of informing the CBA community of many different current events.

Arister

The Arister is CBA's annual publication devoted to the artistic endeavors of the student body. The magazine is a showcase for students' short stories, poetry, artwork, and photography. Published in the Spring, the Arister unveils the often hidden creative talents and expressions of our students. In addition, it is 100% student produced - from layout and design to prep for publication - by a devoted and creative editorial staff led by senior Douglas Rusch.

Yearbook

The yearbook council meets multiple times a week to construct a unique yearbook for the 2012-2013 school year. After a year of ups, downs, and many stressful conflicts, the staff has constructed a notable yearbook filled with wonderful memories of CBA students. Under the careful guidance of moderator Mr. Thawley and the command of editors Dom Celiano and Anthony Falcone, the council has worked incredibly hard to create the student produced publication that you are currently reading.

F.B.L.A

The Future Business Leaders of America (FBLA) is a national organization with state chapters. At CBA our club members belong to both the state and national organization allowing us to participate in regional activities and be part of a national stock market game. Every year several speakers come in to discuss a wide variety of business-related topics. Once a year, members go on a field trip to Wall Street. Being a member of FBLA is both a learning experience and great fun.

Junior Statesman of America

The Junior Statesmen of America club is part of the nationwide Junior Statesmen Organization. The Junior Statesmen mission is to "strengthen American democracy by educating and preparing high-school students for life long involvement and responsible leadership in a democratic society". Students meet several times each month to discuss and debate current political issues. This organization helps raise student awareness by hosting debates and discussions and organizing mock elections for the student body.

Model U.N.

The Model United Nations Club challenges students to address global issues and conflicts. Students attend a variety of Model United Nations Conferences including the North American Invitations Model United Nations or the NAIMUN Conference hosted by the students of Georgetown University and Princeton Model United Nations (PMUNC). Model United Nations Conferences are simulations in which student delegates represent an assigned nation in committee meetings where a wide range of global problems are discussed. Delegates seek to reach diplomatic solutions to these problems. Students are responsible for researching their assigned country's position on the issues and writing a position paper. Once at the conference, student delegates are judged on their position papers and their ability to solve problems through discussion, debate, and negotiation. Participation in these conferences helps students understand the international system and allows them to increase their knowledge of other countries and cultures.

Mock Trial

The CBA Mock Trial team consists of students who are interested in the American judicial process and in participating in staged trials as part of a statewide competition run by the New Jersey State Bar Foundation. Students study a fictional case over the course of several months and prepare to assume the roles of attorneys and witnesses in the week-long county competition held at the Monmouth County Courthouse in January. The team aspires to earn points by competing against other schools in staged trials judged by real judges and attorneys at the Monmouth County Courthouse in Freehold. The team gets much assistance from Ms. Opramolla, and their attorney-coaches, CBA alumnus George Veitengruber and CBA mother Claire Scully.

Ping-Pong Club

The student-founded Ping-Pong Club at CBA provides underclassmen with the opportunity to relax after a hard day's work at school and play some good games of ping-pong. This club includes casual and competitive play leading up to a large tournament that pits many of the Academy's best players against each other. This club is a good opportunity for anyone to try a new hobby and play a universally loved game with their friends. Brother Frank moderates the club.

Spanish Club

The Spanish Club offers students the opportunity to enhance their appreciation and knowledge of Spanish beyond the scope of the classroom. Cultural understanding is promoted through activities such as watching movies in Spanish, eating Spanish food, breaking a piñata, playing games in Spanish, and competing against other language clubs in soccer.

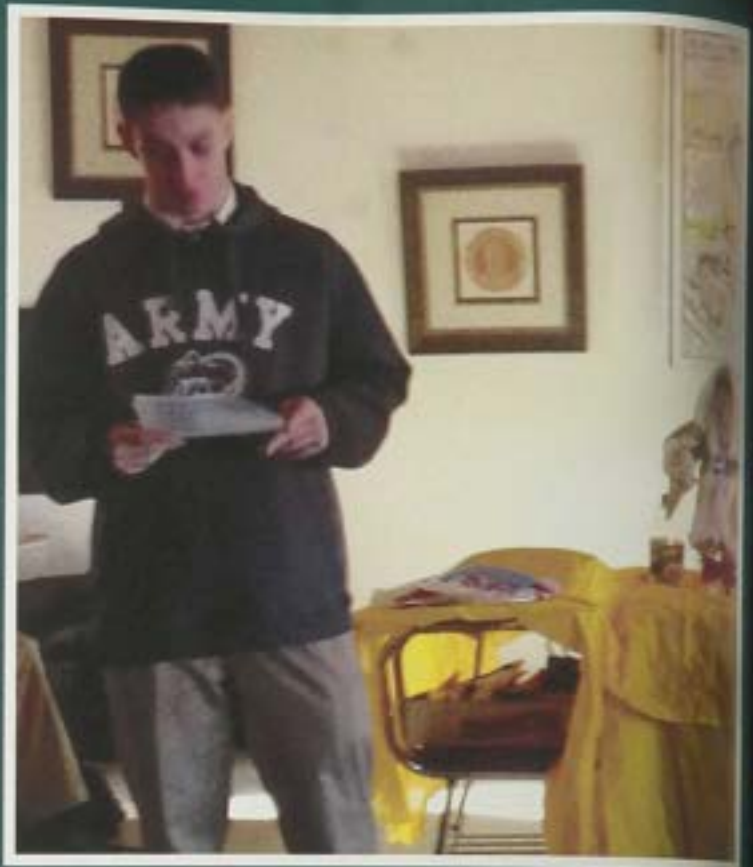

Italian Culture Society

The Italian Culture Society celebrates and teaches Italian culture to each of its members. The development of the members in their relationship with Italian Culture in a fun, exciting way is the mission that ICS seeks to fulfill. In the ICS, members play Italian card games such as Scopa, enjoy a family-oriented dinner celebrating La Befana (the celebration of the Epiphany), and participate in a trivia competition at the end of the school year where pizza is the prize for victory.

CBACCS

This club is a chapter of the National Junior Classical League. Its purpose is to gain an understanding and appreciation of the civilizations of ancient Greece and Rome, better enabling us as individuals to interpret and appraise our own world.

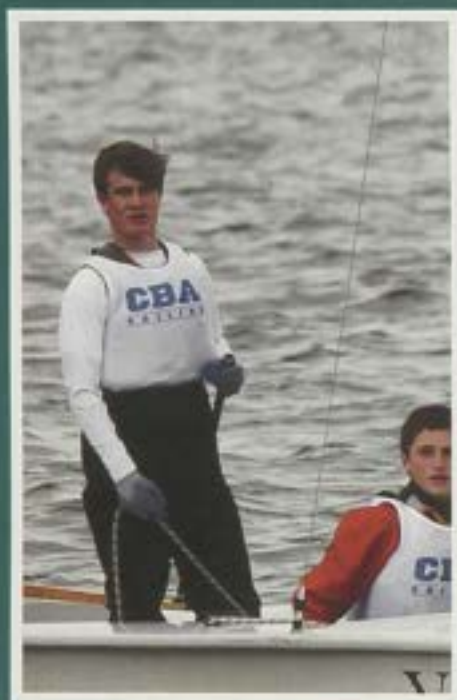

French Club

The French Club provides its members with many cultural activities outside the classroom. The club encourages its members to participate in the Joie de Vivre "a la Francaise". Some of the club's activities include watching French films, playing French Jeopardy and Scrabble, as well as eating at French restaurants and attending a French mass.

Sailing

The Sailing Team, started as one of the few club sports that CBA provided for its students, recently became a varsity sport. The team is designed to give students an opportunity to sail competitively. CBA Sailing is a member of the Interscholastic Sailing Association, which sponsors sailing events for high school teams across the United States.

Computer Science Society

CBACSS - not to be confused with the Classical Society- is a club whose purpose is to support student and faculty interest in all things computational. Members give presentations on areas of interest and assist each other with projects and developing ideas. Deacon Joe Prioli is moderator, but Pat Murray' 14 is the organizer, president, and driving force.

Chess

Under the leadership of Mr. Melosh and Mr. Meinders the chess team has established itself as a top 20 team in the nation on a regular basis. The team contains some of the brightest minds at the Academy and successfully competes in tournaments both locally and nationally.

CBA Pipe and Drum Club

With an initial membership of 30 students, the CBA Bagpipes and Drums Band is a huge success! The co-founders, Gorsha Saling '13 and Matthew Buckley '13 formed this activity to give students an opportunity to learn how to play these unique instruments and gain possible scholarships from a variety of colleges. Guided by Brother Frank, financed by Mr. Kelly, and taught by Lt. Johnson and Mr Bell. Once a full band is established, they plan to play at various competitions and functions.

Fencing

The fencing team has greatly flourished since its founding two years ago. Under the moderation of Brother Joseph Brienza and the instruction of coach Mary Mottola, the team has acquired more members and worked diligently to succeed, going from a club to a full-fledged varsity sport.

Math Team

The CBA Math Team competes in a number of year-long tournaments at the local, state, and national level. We are part of the Monmouth County Shore League, the New Jersey State League, and the Continental Calculus League as well as our own CBA Intramural League. Each league has different events ranging from individual to group to speed relays. These are not your typical (bland) math questions: they require creativity and critical thinking to solve problems that are drawn from geometry, algebra, trigonometry, and number theory. Team members earn academic credit at CBA as well as recognition and award from Narf from national institutions.

Juniors

Sophomores

Seniors

Academic Team

The CBA Academic Team is a meeting place for the greatest minds in the Academy. The team competes in quiz bowl type tournaments throughout the state. Miss Carroll is always on the lookout for the best and brightest minds who have a hunger for learning and massive amounts of trivial knowledge.

Science Team

The Christian Brothers Academy Science Team represents the Academy in various competitions and tournaments throughout the school year. The team participates in building circuits, rockets, planes, and other creations.

Media Club

Media club was founded by Michael Chachura with the goal of making videos that would both entertain and inform the CBA students. Media Club films, edits, and publishes their own material on their Youtube channel under the name: The Creators Network.

Music Program

The music program at CBA consists of the pit orchestra, chorus, and jazz band. The pit orchestra performs for the spring musical and rehearses ten times a month from January to March. The chorus enables students to ascertain a better command of music reading and meets five to six times a month. The jazz band provides an opportunity for experienced instrumentalists in contemporary musical styles such as jazz, rock, fusion, and Latin. The jazz band meets eight to ten times a month.

Sci-Fi Club

After fighting off the orkish herds last year, we have protected CBA from intergalactic and interdimensional terrors. We have fought giant robots and had gladiatorial games in intergalactic arenas. We have fought dragons and demons. We have made our own chain-mail. We have secured the crown of command. We have forged the great rings of power. And, we have learned that one does not...simply walk into Mordor. Solo shot first.

Comic Book and Anime Club

We have made the hallowed halls of Henerson Hall safe for law abiding citizens. We have watched many comic book movies, including Batman's defeat of the Great White Sharks with Bat shark repellent. We maintain fully stocked utility belts as we fight evil-doers. We have read many comic books and have defended the earth from Skrull invasions. We have defeated Hydra multiple times. Currently we have stopped a Super Hero civil war and the Hulk's rampage.

Dennis Zilinski Run

On December 2, 2012, hundreds of people came together at the PNC Arts Center in Holmdel to honor the memory of Lt. Dennis W. Zilinski II and to pay tribute to all our Veterans and military personnel. Lt. Zilinski grew up in Middletown, NJ, attended Christian Brothers Academy and the United States Military Academy at West Point. On November 19, 2005 Lt. Dennis Zilinski was killed as a result of a roadside bombing near Bayji, Iraq. In an act of love, the Lt. Dennis W. Zilinski, II Memorial Fund, a 501(c)(3) non profit organization, has been established by his friends and family to provide various forms of assistance to wounded service members, and to support academic scholarships at CBA.

The National Honor Society exists to promote scholarship, service, and leadership. Since 1962, only a select group of juniors and seniors have been admitted to St. De La Salle Chapter each based on a stringent set of criteria. The main functions of NHS are to tutor students every Tuesday after school, staff the annual Open House, perform a service project or fundraiser, and serve at school events when needed.

The Student Council had a great year this year, as they planned and implemented a range of different student activities including dances, the freshman-sophomore semi-formal, the student and faculty dodgeball game, and tailgates for different sporting events. The student council also planned and organized the first ever Clash of the Classes, which called students in every grade to become more involved in the school and show their spirit. The event ended up being a huge success.

Ambassadors

The role of the Ambassadors is to serve as assistants to the Office of Academy Relations. These students serve as hosts, tour guides, and representatives of CBA to feeder schools. Ambassadors are able to clearly articulate the mission of the school to prospective students and their parents, as well as to guests, prospective donors, and others.

GURU

GURU- "Giving Us Religious Understanding" is an important experience in the growth and development of the freshman class from year to year. The elitist seniors are selected in a selective admissions process to be the best possible role models for the incoming freshmen. The seniors help out with the retreats and classroom discussions.

LaSallian Youth Mission Trip

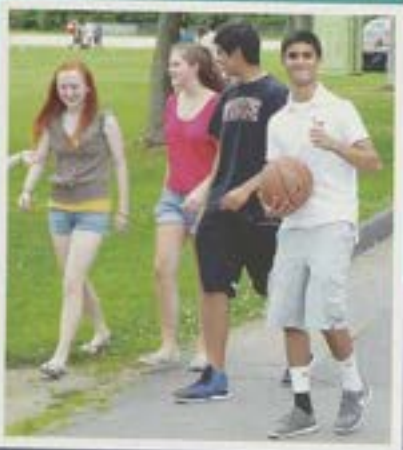

To The Blackfeet Reservation in Montana

In Autumn of 2012, several CBA students, led by Mr. Timothy Sewnig, traveled to the Blackfeet Nation in Browning, Montana to partake in a service and cultural immersion trip. Located just south of the Canada - United States border, the reservation suffers from a wide range of socio-economic problems including widespread poverty, alcoholism, abuse, and drug use. The group representing CBA spent the week tutoring students within the De La Salle Blackfeet School, a grammar school run by the Christian Brothers for students in grades 4-8. The group helped to reinforce the mission of the Brothers and the school: to help direct youth on the reservation towards a positive path moving forward into high school and beyond. The group was privileged to encounter the Blackfeet culture firsthand through several different immersion experiences made possible during the stay. Overall, the experience proved to be immensely profound spiritually for those involved while it also reinforced the service-oriented, LaSallian spirit of CBA.

Junior Tie Ceremony

The 5th annual Junior Tie Ceremony is a right of passage for the juniors and serves as an initiation into upperclassmanship with the distribution of a unique class tie. Parents and teachers were invited to this event in the Varsity Gym. Afterwards, the juniors and their families attended an enjoyable luncheon in the McKay Gym.

Distinguished Lasallian Educator Award

Jeannine Maloney

Christian Brothers Academy
Lincroft, New Jersey

The Lasallian Committee of Christian Brothers Academy is proud and pleased to nominate Jeanine Maloney, World Language Department Chair, French and Spanish Instructor for the District of Eastern North America Distinguished Lasallian Educator Award. We honor Jeannine for her leadership and long, dedicated service to Christian Brothers Academy.

The enclosed Letters of Recommendation illustrate the wide and diverse contributions Jeannine has offered to the CBA Community during her twenty three years at the school. Jeannine, the natural leader and dedicated professional thrusts both the World Language Department and the CBA curriculum, as a whole, to the inclusion of greater global studies. Mindful of high academic standards, and current student need for contemporary global competencies, Jeannine wields a strong voice for the inclusion of new courses and cross cultural learning experiences at CBA. Under her tutelage, the World Language Department has added Arabic to its course of study this year and is considering the inclusion of Chinese at a later date.

Jeanine is an extraordinary teacher, her French and Spanish classes are demanding and exciting. She can often be found before and/or after school offering students extra help. Jeannine is a no excuses granted type of teacher. Many students and graduates acknowledge her tireless commitment to their studies of world language and her impact on their academics. Alex Wolkomer, the New Jersey Star Ledger state student of the year (2009) recognized Jeannine Maloney as the teacher who most influenced his High School career. Each Christmas Jeannine orchestrates a gift giving drive among the classes in her department for local Hispanic speaking groups and sees to it that both children and adults receive Christmas presents .

Jeannine serves as a Eucharistic Minister at CBA and has spent her entire teaching career in Catholic Education. She is a woman of faith and contributes to the Lasallian Mission of CBA through her commitment to see the face of Jesus in everyone she meets; whether student, colleague, parent or the wider community.

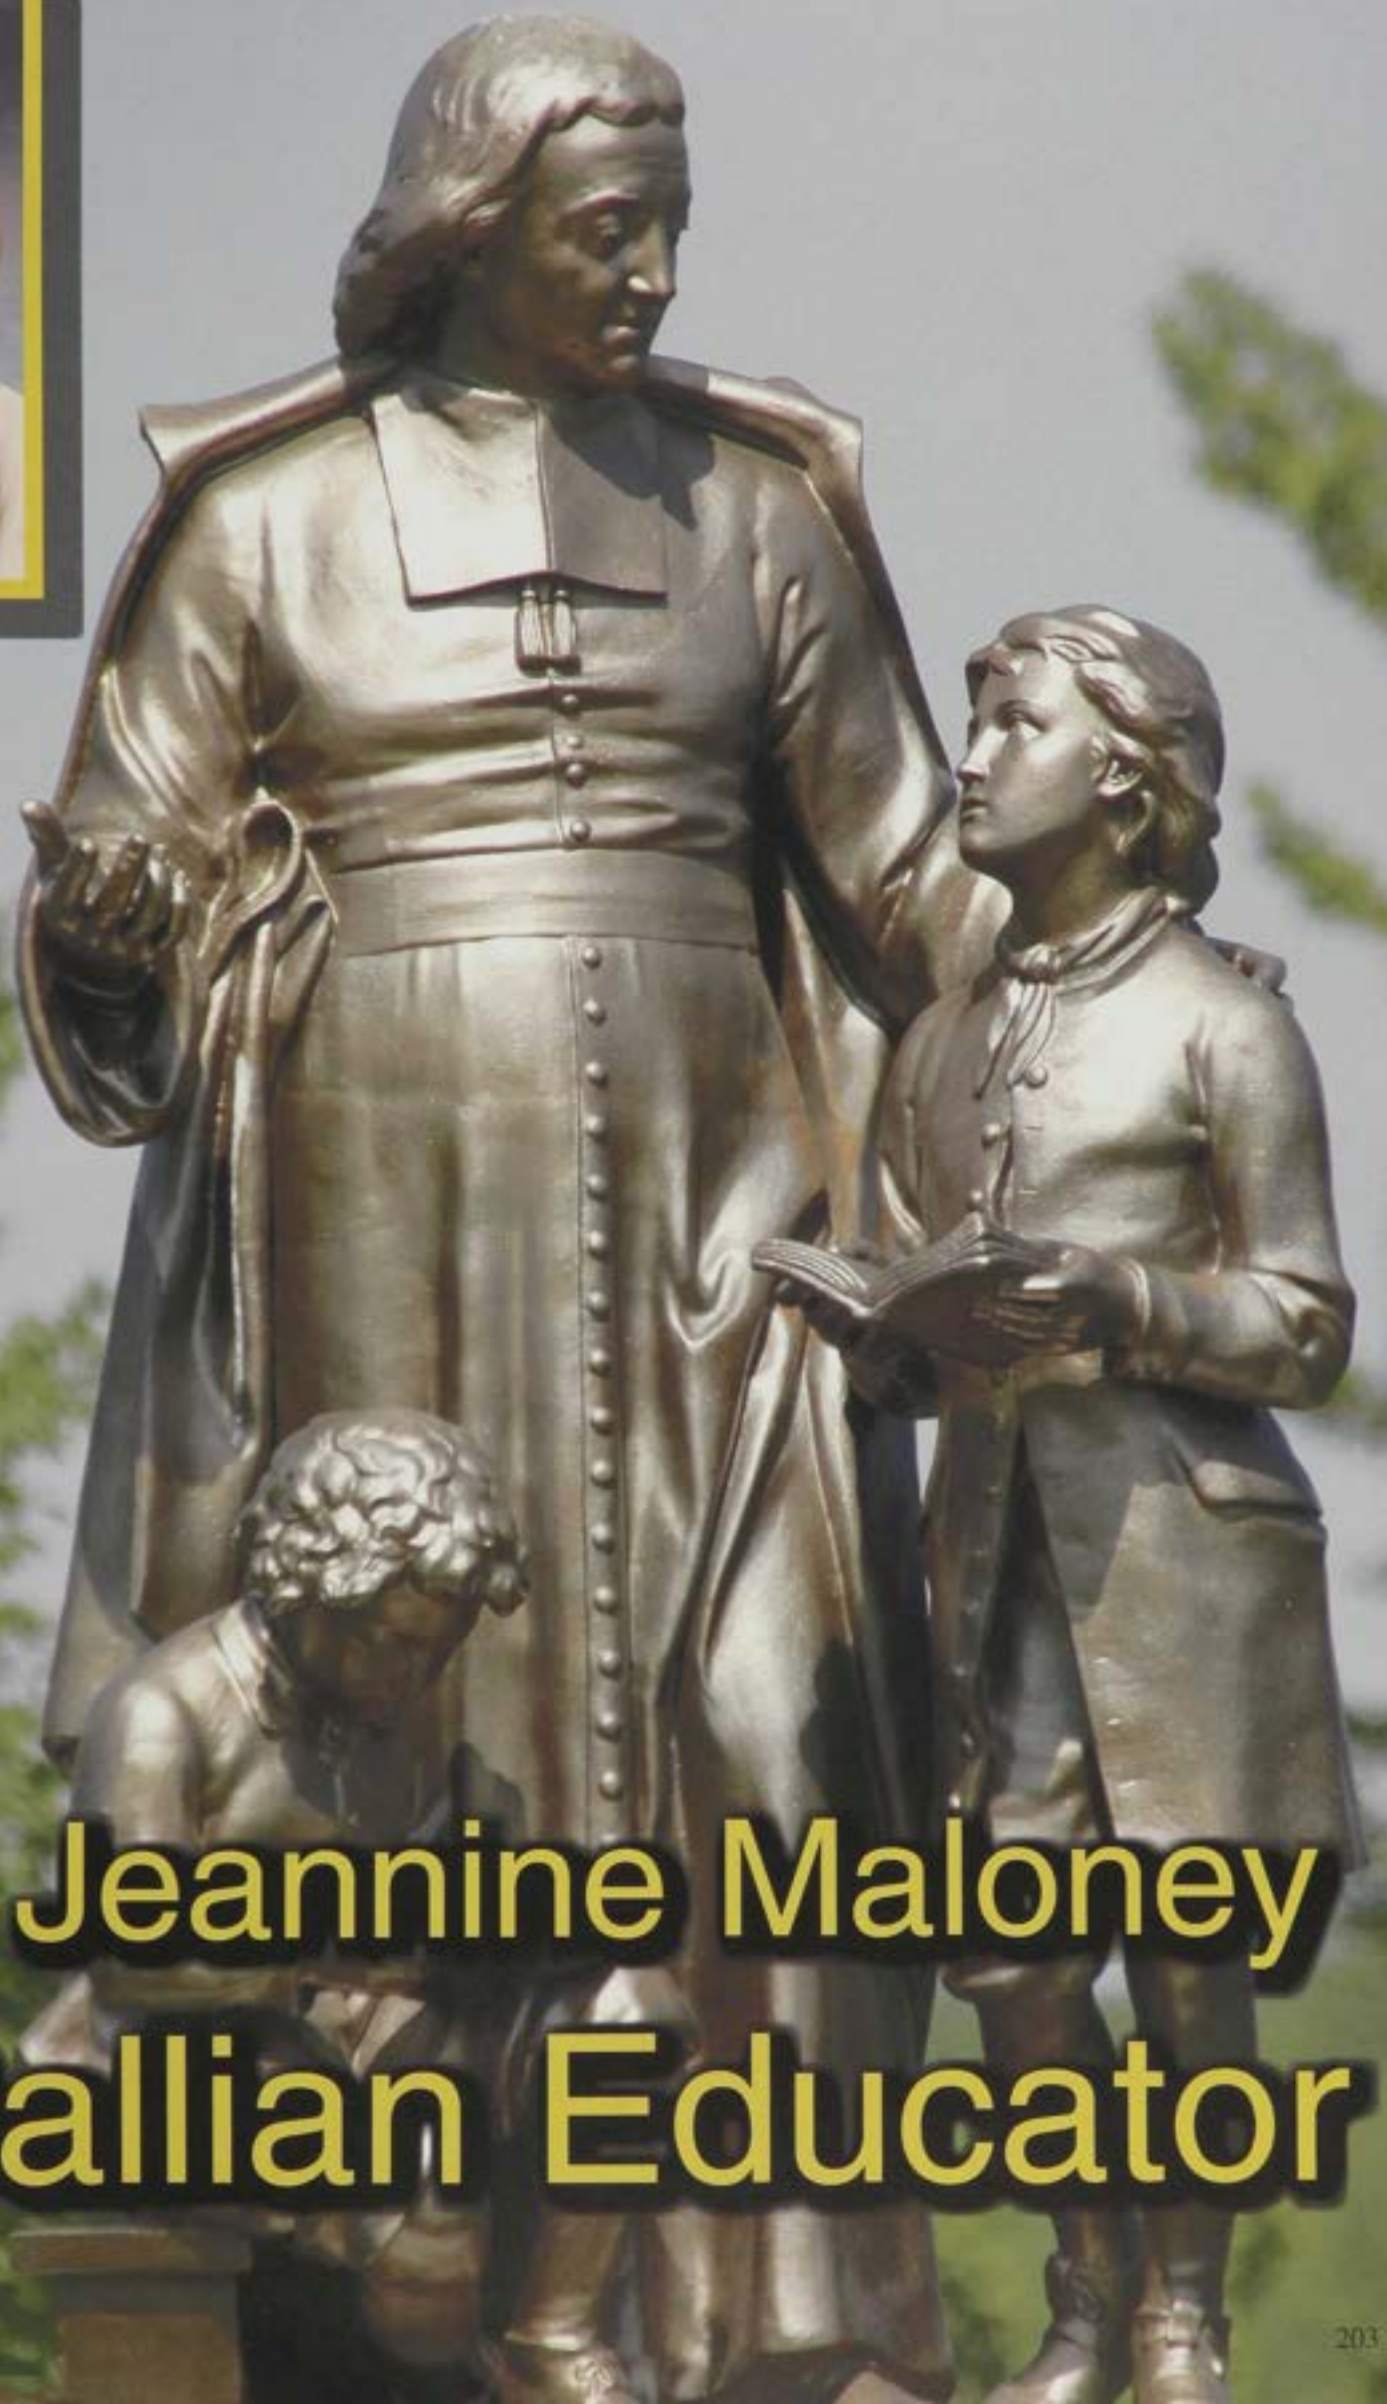

Mother and Grandmother, Jeanine has two children Jennifer and Maurice (CBA alum). Mimi, to her two adorable grandchildren, Matthew and Megan, Jeannine is excitedly anticipating grandchild number three. Family is the stable and constant source of joy for Jeannine as she often articulates just what is happening with her children, grandkids, and extended family. She basks in their accomplishments and worries about their trials. A familial manner she extends to each and every one of her CBA colleagues.

As John Baptist de La Salle reminds us that God calls us to the work we do, the responsibilities we have to one another, and the great love that we can find in faith, Jeannine Maloney provides the students and faculty of Christian Brothers Academy a poignant model. Jeannine best illustrates the virtues necessary to be a truly Lasallian Educator and for this, we the Lasallian Committee of Christian Brothers Academy nominate Jeannine Maloney for Distinguished Lasallian Educator

Sincerely,

Lasallian Committee

A Word From the Editors

Dear Reader,

After eight long months, we have finally completed the book that you are currently holding. We put a lot of effort into constructing this yearbook, and we did our best to make this the best yearbook possible. We hope that you enjoy it.

We would like to start by thanking everyone in the CBA community that helped to make this yearbook possible. Making the yearbook was no easy task for us as the editors, but everything that we put inside this yearbook would not be possible if it was not for the help and dedication of the different individuals who helped us to gather pictures and make sure that all of our information was accurate. Putting all of the spectacular events of this past year, from highs to lows, into one book was a daunting task at first, but we found that we were able to accomplish this monstrous task through the hard work and dedication of our small yet productive yearbook staff. Along with help from Normandy Studio photographers and staff, Jostens representative Mr. Michael Cannon and his staff, and the CBA Administrative secretaries, we were able to do our best possible work in making a memorable publication that you will enjoy and look back on in the years to come.

We would like to make a special note of the hard work and dedication that our entire yearbook staff has put forward this year, as they helped us to transform the yearbook from a completely blank template into something extraordinary. Through the dedication and hard work of freshman Michael Allingham and the persistent entertainment of Patrick Hussey ("CEO") and Kyle Gonis, we were able to take this yearbook onto a level of excellence never before thought of, while still leaving a future legacy for the yearbook in Young Mike. We would also like to thank the other staff members Nick DeAngelis, Gianni Cucciniello, and James Miller for their hard work. Most importantly, a huge thank you to Mr. Jack Thawley for being an excellent moderator for the yearbook, and for providing us with his knowledge and experience to help us complete this yearbook. Without his expertise and handle over the yearbook club (including taking photos), a consistently great yearbook year after year simply would not be possible.

Just remember through all of these events depicted in the yearbook, though, that *you* were the ones who made this yearbook possible. Without such a great student body, staff, and faculty, we would not have so many different clubs, sports, and activities to put into this yearbook. This year was truly a unique year in terms of adding to the tradition of CBA, and I hope that this yearbook will give you a constant reminder of how each class that graduates from CBA continues to excel and build on previous years, leaving behind legacies that are always tough to match. Thank you for taking the time to read through this publication, and best of luck to all of the future classes of CBA and all of the future yearbook staffs.

Sincerely,

From the Moderator...

Congratulations Dominic and Anthony on a wonderful four years here at the Academy, and a special note of thanks for your tireless efforts in producing this yearbook for the school community. You and your classmates have indeed endured a stormy year, including being displaced from Henderson Hall for two months as a result of "Sandy". Thank you for all the afternoons and evenings spent before a computer screen doing layouts, uploading and placing pictures, writing and editing texts, and keeping me on track with getting pictures taken. I wish you well as you move on from here and begin your college careers. You have been a great asset to CBA and have left this book behind as a testament to your effort, creativity and dedication. Well done !

Sincerely,

Hurricane Sandy
