Spring 2014

Dear Members of the Class of 2014:

Congratulations on reaching one of many momentous milestones in your life. Your time here has been full of challenges to grow mentally, physically, and spiritually. You entered CBA as boys and with the help and encouragement of your parents and teachers and the benefit of many great and meaningful experiences, you leave as men. The administration, faculty and staff have endeavored to offer opportunities to build the life skills necessary to succeed as a man of faith, character, vision and accomplishment. If you have been receptive to what was offered during the past four years and continue to develop your God-given talents, there is no doubt that you will do great things and be of inestimable worth to Church and Country.

I commend you for your spirit and true understanding of brotherhood. Whether in class, at a game, serving others or participating in an activity, it was obvious that you could work together towards a common goal while enjoying and valuing each others company. I encourage you to nurture the friendships and associations created during the past four years.

This book attempts to chronicle your senior year at CBA. Hopefully, it accurately depicts your accomplishments and experiences. Let it be a reminder of your success, a confirmation of your contributions to the Academy and a comfort to you in the future when fond memories can help you through difficult times and encourage you to endure and persevere.

My hope and prayer is that you remain faithful to the Gospel and your Lasallian roots and that you make every effort to stay connected and visit us often!

Sincerely,

Office of the President

May 2014

Dear Class of 2014,

On behalf of the Brothers, administration, faculty and staff, it is truly my pleasure to extend our best wishes on the occasion of your graduation from Christian Brothers Academy. As you take leave of us, there are a few things I would like to mention to you.

First, let me congratulate you on the successful completion of your course work. Four years ago you distinguished yourselves by being accepted into the Class of 2014. When you enrolled at CBA you chose to be held to high standards, not just in the classroom, but in all facets of your life. With the help of your teachers, coaches and moderators, you met the challenge.

Secondly, I want to commend you for the example you set for the underclassmen. Ever since freshman year, you have been fully involved in the extracurricular life of the Academy. You have truly been a class that embodies the ideals of CBA. It is my hope that you continue to make a positive impact on those around you throughout your life.

Next, as an alumnus of CBA, I welcome you as the newest members of the Alumni Association. You join the ranks of over 10,000 men who have gone before you. I encourage you to keep connected with your classmates and with the school in the years ahead.

Finally, I pray that God will continue to bless you and your family. Your parents and guardians have sacrificed so much in order for you to reach this moment. May you always realize the gifts God has given to you, and may you use them wisely.

St. John Baptist De La Salle... Pray for Us.

Live Jesus in Our Hearts... Forever!

Seniors

Letter From the Student Council President

Men,

How strange it feels to utter these three simple words – we did it. Our four years at Christian Brothers Academy have come to a close, and we are all moving on to the next chapter of our lives. No more Dolly's Cookies, no more Icky La Boombas, no more "Gentlemen, let's ease into the weekend." As we all get our first real taste of nostalgia for a brief, but defining time in our lives that will now exist only in the pages of our memory, I believe that we should all be extraordinarily proud of what each of us has accomplished here, both individually and as brothers. Together we've grown from the scrawny and confused freshmen gathered at the Heath Freshmen Run into strong and focused men of integrity, setting forth to pursue our individual goals and, in turn, to better the lives of those around us. I recall our first day as a class as we sat in Henderson Theater and jolted at the thunderous growl of Brother James' resounding reprimand of Tom Beaulieu, and I remember thinking, "This is going to be a long four years." Ironically, as graduation looms, I find myself wanting to slow the clock as it ticks down to our final days. Reflecting on the challenges and triumphs, struggles and laughter of these high school years, I, and hopefully our whole class, can honestly say I will miss this place and all of its lessons and experiences that are forever seared into my mind.

As a class, we have served our community, won conference and state championships, achieved academic excellence, recovered from Hurricane Sandy, revived the Colt Crazies, and done so many other things that define our legacy as the Class of 2014. Above all, we have made unbreakable bonds with each other, forged as a result of all that we have endured and achieved together. Across the spectrum of our diverse class, from those who acted in the Pegasus Production Company, to those who competed fiercely on an athletic team, to those who served the people around them, to those who filled the air with their Jazz Band music, to those whose intellect and drive elevated them to the top of the class, we all share the common denominator of our four years at Christian Brothers Academy. We all pursued varied paths, but at each turn, we helped each other navigate the way. And maybe that's just it – we all brought different, yet equally significant, gifts and contributions that were vital to the success and impact of our class as a whole. Even though we've lost a few and gained others along the way, together we shared a profound experience, shaped as a whole by the sum of our unique and individual parts.

As we prepare to leave these hallowed halls we called home, we can hold our heads high knowing that we collectively strove to matter, with energy and determination to be the best that we could be. We rose to the challenges, and when we faltered, we relied on each other. We seized opportunities, yet I believe we gave back to those we touched in the process. In retrospect, CBA, I think, was a lot like life. You can prepare, but you cannot predict the curves, struggles, and surprises it throws at you. CBA, like life, demanded that we rise and meet its hurdles, while in the process learning what we were really made of. It was the obstacles we surmounted, alone and as brothers, that showed us who we truly are and who we can be when we rise to meet the challenges we face and refuse to accept defeat.

Yes, we are moving on to new places, new adventures, and new friends, but the future will be rooted in the lessons we've learned and the memories we've made together at CBA. Our CBA experience has placed an indelible mark on each of us that we will take with us wherever the future leads. Our experience is woven like a thread into the very fabric of our being. I know I will find strength and comfort from all of you and the lessons of CBA as I embark on this mysterious yet exhilarating journey called life. I wish the best for each and every one of you. Never forget the CLASS OF 2014 – we did it, my brothers, we did it, and in the process perhaps left CBA a little better for our being here. In the end, who can ask for more than that?

LaSallian Youth Mission Trip

To The Blackfeet Reservation in Montana

In November 2013 several CBA students, led by Mr. Butler and Mr. Sewnig, traveled to the Blackfeet Nation in Browning, Montana to partake in a service and cultural immersion trip. Located just south of the Canada - United States border, the reservation suffers from a wide range of socio-economic problems including widespread poverty, alcoholism, abuse, and drug use. The group representing CBA spent the week tutoring students within the De La Salle Blackfeet School, a grammar school run by the Christian Brothers for students in grades 4-8. The group helped to reinforce the mission of the Brothers and the school: to help direct youth on the reservation towards a positive path moving forward into high school and beyond. The group was privileged to encounter the Blackfeet culture firsthand through several different immersion experiences made possible during the stay. Overall, the experience proved to be immensely profound spiritually for those involved while it also reinforced the service-oriented, LaSallian spirit of CBA.

Clubs

LaSallian Youth

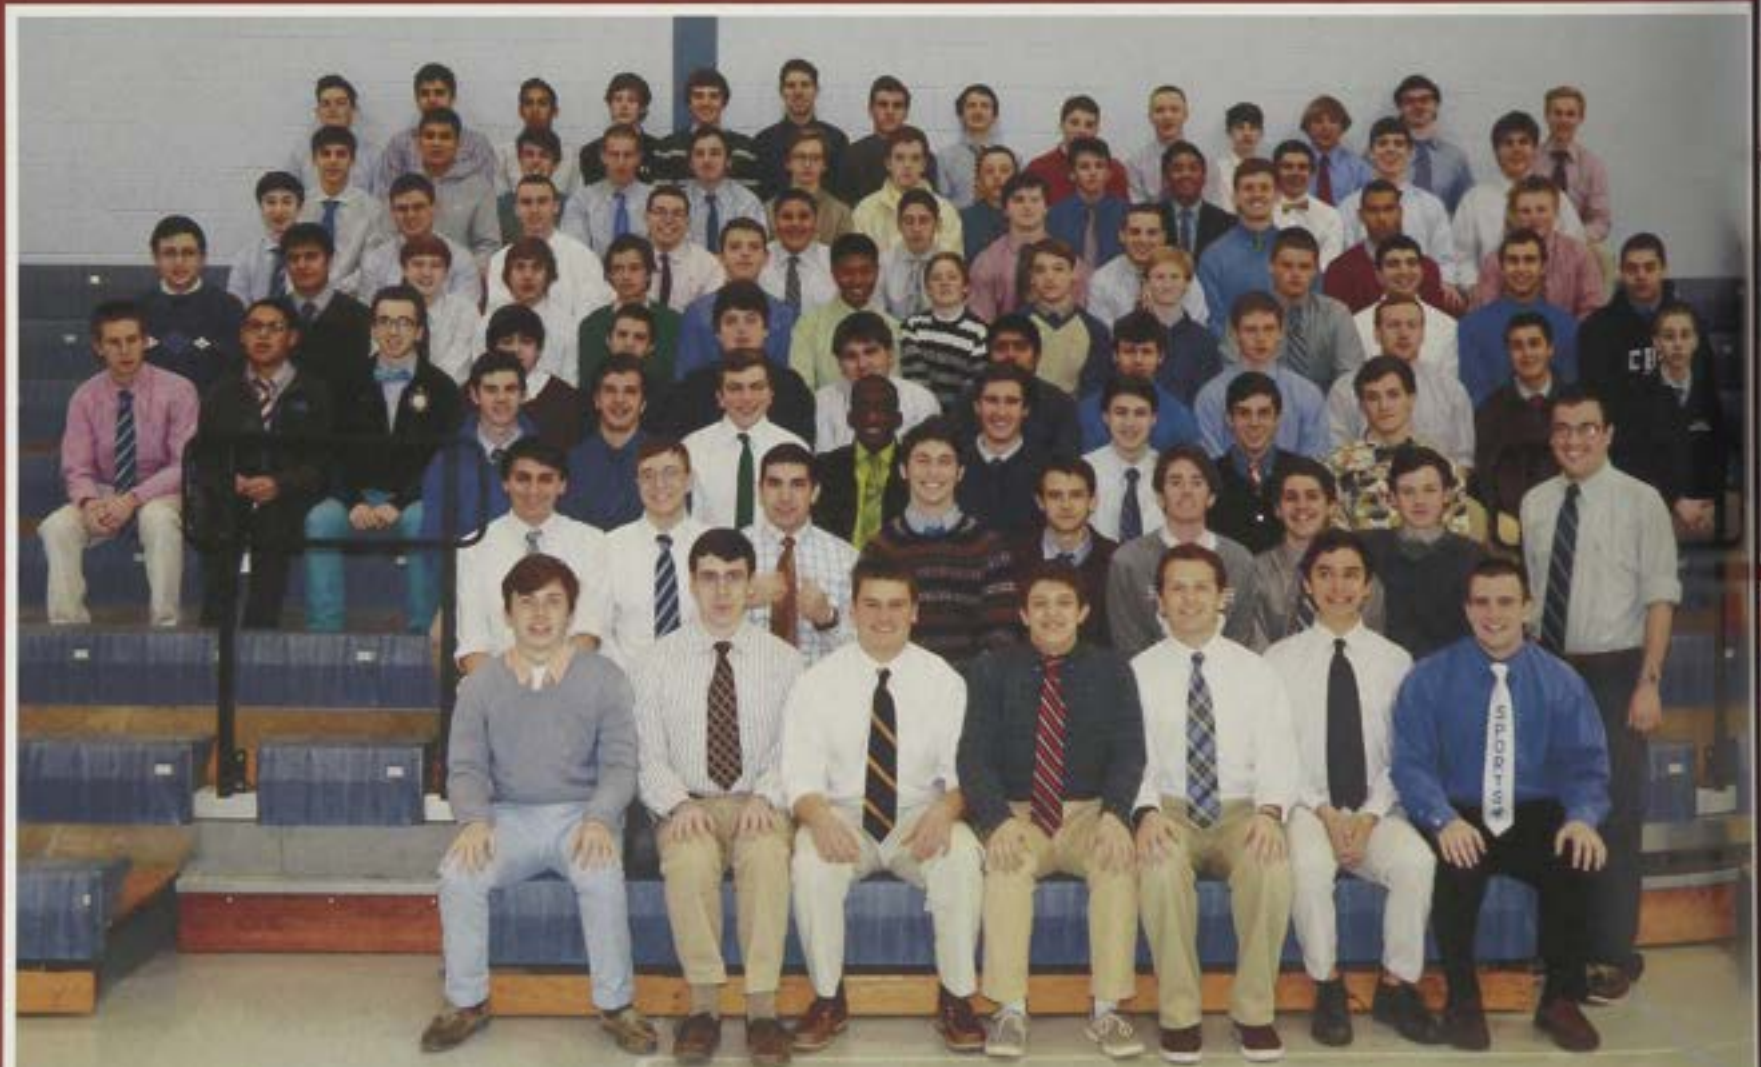

LaSallian Youth is the primary service organization at Christian Brothers Academy. Founded in 2001, this organization is one of many chapters in LaSallian schools around the world. Members of LaSallian Youth travel to Asbury Park twice a month, where they offer food to the needy and tutoring to the youth at Rev. Jackson's after school program. In addition, this group supports several charitable events, such as the Zilinski Run, and Family Promise. LaSallian Youth members also have the opportunity to participate in major service trips. In recent years, students have traveled to Niagara Falls, Mexico, Nicaragua, and the Blackfeet Native American reservation in Montana.

SADD

Students Against Destructive Decisions is a club that promotes the well-being of the student body in terms of the many peer pressures that high-school students face. The club meets throughout the year for various activities and events. Activities include listening to speakers and watching videos on topics such as drunk driving, drug addiction, steroid abuse, self-image, bullying, stress, and relationships. The club works closely with Mr. Fales to develop appropriate programs for student life. SADD events include the annual Zilinski Run, the Pasta Dinner for the troops, the three-on-three basketball tournament, and the Charity Talent Show.

Academy Torch

The Academy Torch is CBA's own newspaper that features student-written articles recounting recent happenings around campus, sports news, and various other current events. Under the moderation of Ms. Bilohowski, this year's staff has done an excellent job of informing the CBA community of many different important events.

FBLA

The Future Business Leaders of America (FBLA) is a national organization with state chapters. At CBA our club members belong to both the state and national organization allowing us to participate in regional activities and be part of a national stock market game. Every year several speakers come in to discuss a wide variety of business-related topics. Once a year, members go on a field trip to Wall Street. Being a member of FBLA is both a learning and fun experience.

Mock Trial

The CBA Mock Trial team consists of students who are interested in the American judicial process and participating in staged trials as part of a statewide competition run by the New Jersey State Bar Foundation. Students study a fictional case over the course of several months and prepare to assume the roles of attorneys and witnesses in the week-long county competition held at the Monmouth County Courthouse in January. The team aspires to earn points by competing against other schools in staged trials judged by real judges and attorneys at the Monmouth County Courthouse in Freehold. The team gets much assistance from Mrs. Viola, and their attorney-coaches, CBA alumnus George Veitengruber and CBA mother Claire Scully.

Junior Statesman of America

The Junior Statesmen of America club is part of the nationwide Junior Statesmen Organization. The Junior Statesmen mission is to "strengthen American democracy by educating and preparing high-school students for life long involvement and responsible leadership in a democratic society". Students meet several times each month to discuss and debate current political issues. This organization helps raise student awareness by hosting debates and discussions and organizing mock elections for the student body.

Chess Club

Dive Team

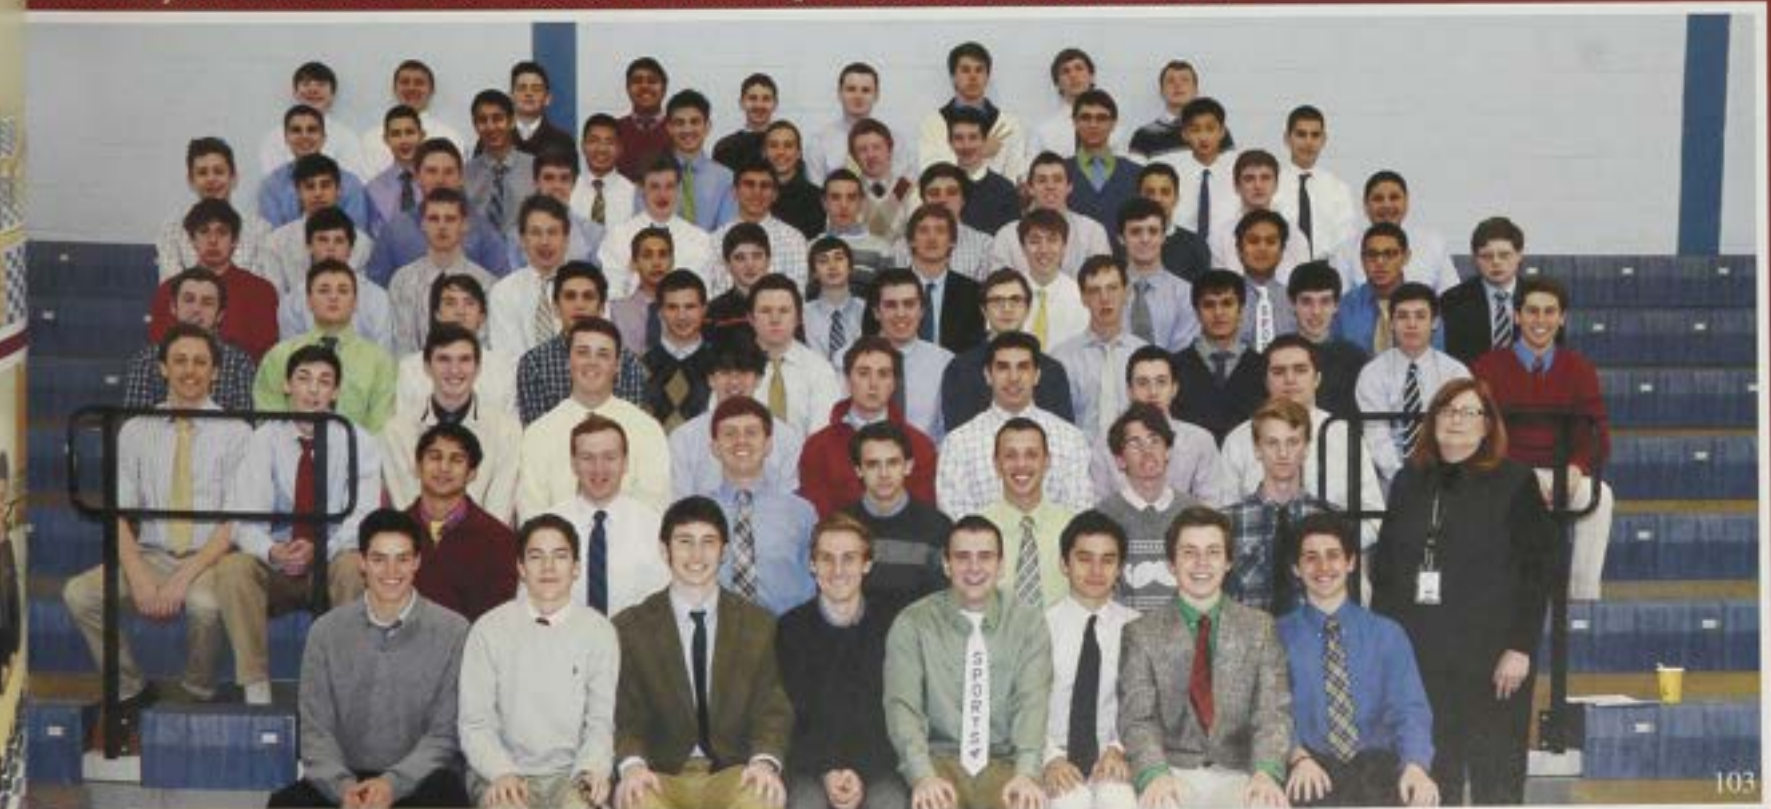

The CBA Dive Team focuses on raising awareness about the ocean and the beneficial role it plays as the world's largest natural resource. Each year, they meet and discuss the growing environmental issues that face local waterways. These discussions help students gain a better understanding of many environmental threats with efforts to raise awareness about steps that can be taken to help. With Mr. Neil Begley, Master Diver Instructor, as the moderator, CPR certification was offered to members in efforts to focus on water safety. In addition, not all members are necessarily divers; PADI Dive Certification opportunities are offered to those students who are interested in pursuing the chance to learn about all that exists underwater. They plan on promoting opportunities for service activities to CBA students involving beach sweeps and clean ups of local inlets and rivers that make New Jersey's coastline so special.

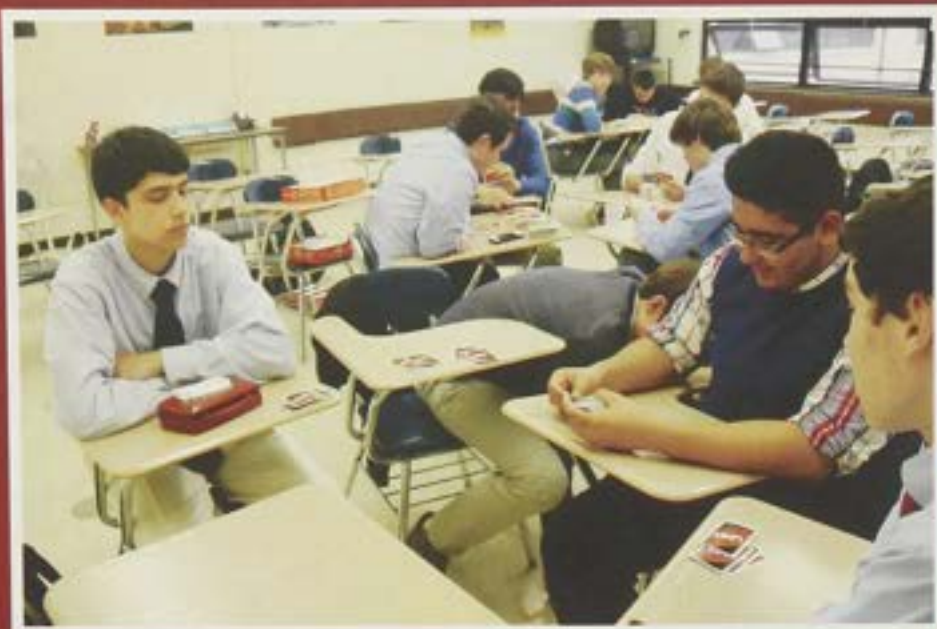

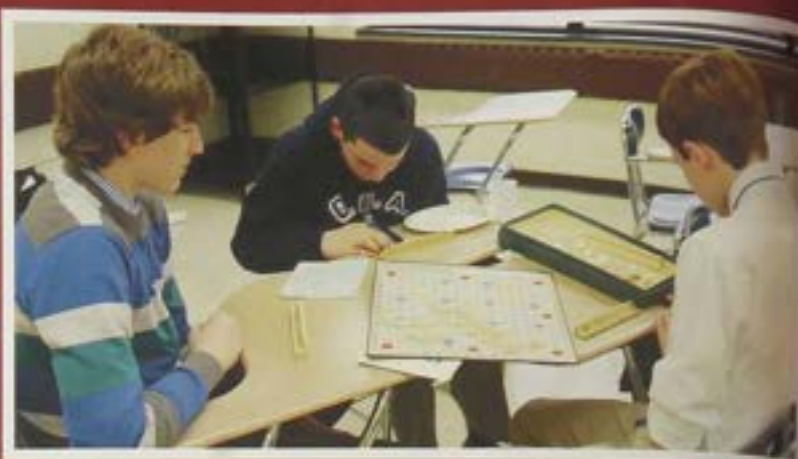

Model U.N.

The Model United Nations Club challenges students to address global issues and conflicts. Students attend a variety of Model United Nations Conferences including the North American Invitations Model United Nations or the NAIMUN Conference hosted by the students at Georgetown University and Princeton Model United Nations (PMUNC). Model United Nations Conferences are simulations in which student delegates represent an assigned nation in committee meetings where a wide range of global problems are discussed. Delegates seek to reach diplomatic solutions to these problems. Students are responsible for researching their assigned country's position on the issues and writing a position paper. Once at the conference, student delegates are judged on their position papers and their ability to solve problems through discussion, debate, and negotiation. Participation in these conferences helps students understand the international system and allows them to increase their knowledge of other countries and cultures.

Spanish Club

The Spanish Club offers students the opportunity to enhance their appreciation and knowledge of Spanish beyond the scope of the classroom. Cultural understanding is promoted through activities such as watching movies in Spanish, eating Spanish food, breaking a piñata, playing games in Spanish, and competing against other language clubs in soccer.

Italian Culture Society

The Italian Culture Society celebrates and teaches Italian culture to each of its members. Development of the members in their relationship with Italian Culture in a fun, exciting way is the mission that ICS seeks to fulfill. In the ICS, members play Italian card games such as Scopa, enjoy a family-oriented dinner celebrating La Befana (the celebration of the Epiphany), and participate in Italian trivia competitions.

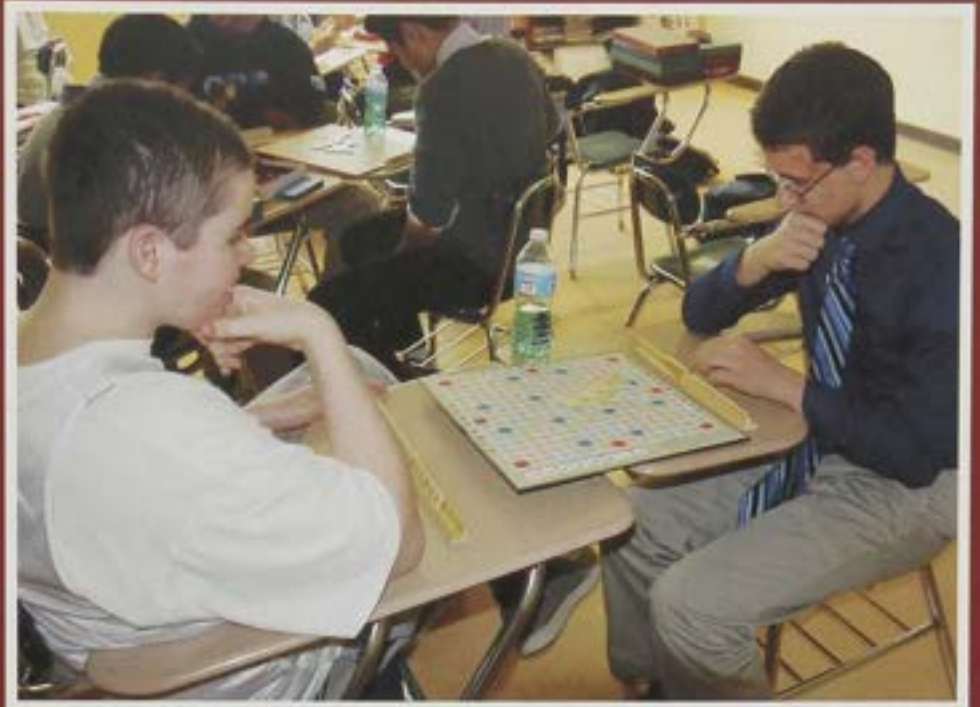

CBACCS

This club is a chapter of the National Junior Classical League. Its purpose is to gain an understanding and appreciation of the civilizations of ancient Greece and Rome, better enabling us as individuals to interpret and appraise our own world.

French Club

The French Club provides its members with many cultural activities outside the classroom. The club encourages its members to participate in the Joie de Vivre "a la Francaise". Some of the club's activities include watching French films, playing French Jeopardy and Scrabble, as well as eating at French restaurants and attending a French mass.

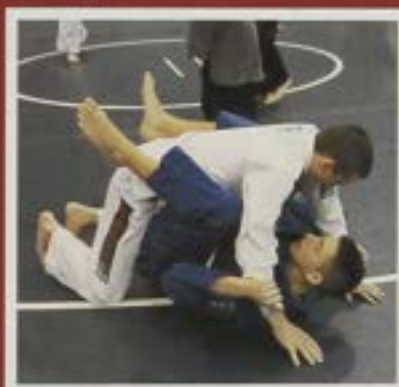

International Culture Society

The International Culture Society, moderated by Mr. Broehl, studies a large variety of different cultures. Unlike other clubs that focus solely on one type of culture, this unique club studies many different cultures. Members of this club get the opportunity to learn about the interesting cultures of Belgium, French, Spanish, Italian, Colombian, and much more. They also get a chance to taste foods of all different varieties during their meetings.

Jiu-Jitsu

Brazilian Jiu-jitsu is a martial art that teaches smaller opponents to use leverage and technique to help them defend against larger opponents. It is a mixture of Judo and wrestling and has been the dominant martial art in The UFC. The Instructors are Mr. Butler, Mr. Tomaino, and Mr. Guilfoyle.

CBA Pipe and Drum Club

The Christian Brothers Academy Pipes and Drums was formed in 2012. The first marching season for the band was in March of 2013. Instructors for the band are Mr. Gordon Bell and Mr. Frank Johnson, and the moderators are Brother Tim and Brother Frank. Student leaders include Pipe Major Bryan Smyth, Quarter Master Allan Cuttle, and Band Managers Mike Collins and Tom Palisi. This year the CBA Pipes & Drums performed at parades in Rumson, South Amboy, Farmingdale, Highlands, and Freehold. The group also performed at the SADD Talent Show, Crop Walk, Celtic Fest, and St. Benedict's.

Math Team

The CBA Math Team competes in a number of year-long tournaments at the local, state, and national level. We are part of the Monmouth County Shore League, the New Jersey State League, and the Continental Calculus League as well as our own CBA Intramural League. Each league has different events ranging from individual to group to speed relays. These are not your typical (bland) math questions: they require creativity and critical thinking to solve problems that are drawn from geometry, algebra, trigonometry, and number theory. Team members earn academic credit at CBA as well as recognition and award from Narfrom national institutions.

Junior Varsity

Arister

The Arister is CBA's annual publication devoted to the artistic endeavors of the student body. The magazine is a showcase for students' short stories, poetry, artwork, and photography. Published in the Spring, the Arister unveils the often hidden creative talents and expressions of our students. In addition, it is 100% student produced - from layout and design to prep for publication - by a devoted and creative editorial staff.

Varsity

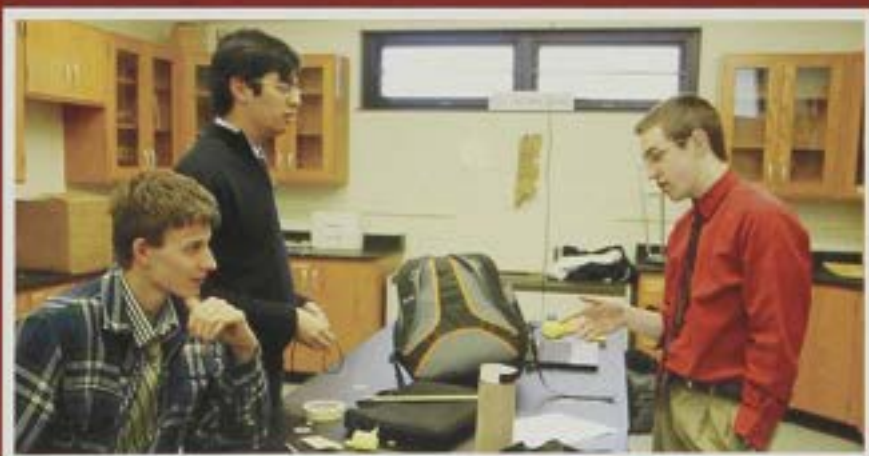

Academic Team

The CBA Academic Team is a meeting place for the greatest minds in the Academy. The team competes in quiz bowl type tournaments throughout the state. Miss Carroll is always on the lookout for the best and brightest minds who have a hunger for learning and massive amounts of trivial knowledge.

Science Team

The Christian Brothers Academy Science Team represents the Academy in various competitions and tournaments throughout the school year. The team participates in building circuits, rockets, planes, and other creations.

Theological Debate Society

The Theological Debate Society, run by Mr. Dibrienza, discusses multiple different topics based on religion throughout the year. When meetings are held, members take sides and debate about topics such as ditheletism, eschatology, the relationship of government to Church, and much more.

Trail and Terrain Club

CBA's Trail and Terrain Club seeks to discover the many aspects of nature. The club primarily hikes challenging trails around the state, including Hacklebarney State Park, Hartshorne Woods, and Ramapo Mountain State Park, but it also explores other endeavors like rock climbing and camping. Each member offers variety of trail-ready abilities, with the opportunity to learn new skills on every excursion. If anything, any Trail and Terrain member will always remember to "Don't Feed Jake."

Sci-Fi Club

The Sci-Fi club participates in many science-fiction related activities. Under the leadership of Mr. Reagan and Mr. Dibrienza, the members of this fun club play fantasy board games, card games, and debate over topics related to fantasy and science fiction.

Comic Book and Anime Club

The Comic Book and Anime club focuses on studying and discussing various genres of comic books. They also watch comic book movies regularly. Under the moderation of Mr. Dibrienza and Mr. McCaig, this group thoroughly enjoys reading and conversing about their favorite comic books.

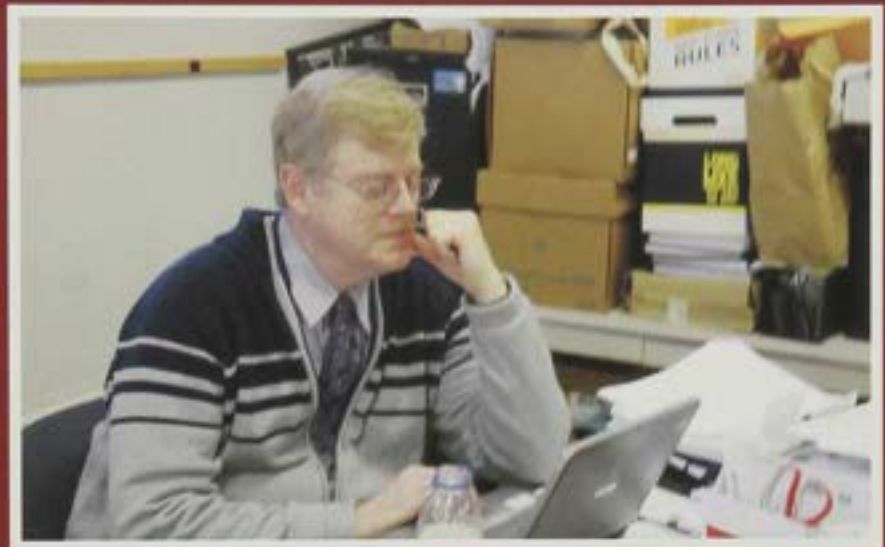

Music Program

The music program at CBA consists of the pit orchestra, chorus, and jazz band. The pit orchestra performs for the spring musical and rehearses multiple times a month from January to March. The chorus enables students to ascertain a better command of music reading and meets weekly. The jazz band provides an opportunity for experienced instrumentalists in contemporary musical styles such as jazz, rock, fusion, and Latin. The jazz band meets twice a week. Under the leadership of Mrs. Gold and Mr. Zapata, the music program at CBA thrives.

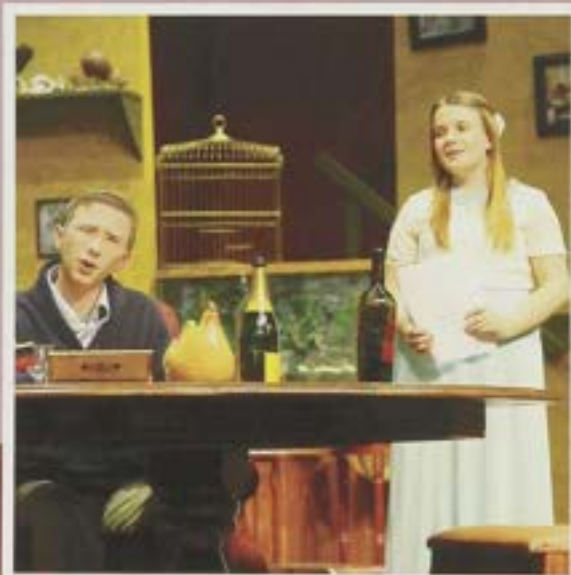

Yearbook

Yearbook met multiple times a week to construct a unique yearbook for the 2013-2014 school year. After 12 months of designing, editing, taking pictures, and much more, the 2013-2014 Yearbook you are currently reading was created. The goal of the Yearbook club is to make the most notable yearbook filled with wonderful memories of CBA students. With a dominant 2 man-staff for the 2013-2014 yearbook - moderator and photographer, Mr. Jack Thawley, and Editor-in-Chief and photographer, Michael Allingham '16 worked endless amounts of hours to create the current publication that you hold.

Distinguished Lasallian Educator Award

Maureen Szablewski

Christian Brothers Academy
Lincroft, New Jersey

The Lasallian Committee of Christian Brothers Academy is proud and pleased to nominate Maureen Szablewski, History Instructor; Model UN and CBA Student Council Moderator, for the District of Eastern North America Distinguished Lasallian Educator Award. We honor Maureen for her dynamic leadership and dedicated service to Christian Brothers Academy.

The enclosed Letters of Recommendation illustrate the untiring commitment Maureen makes to the CBA community. Long hours, endless energy, and unconditional determination paints how Maureen prods the students of Christian Brothers Academy to serve both locally and globally. As moderator of the CBA Student Council, Maureen engages in almost every student activity at the school. From singing in the Student Council Mass Chorus to flipping burgers at a tailgate, Maureen instills in our students the leadership traits of service, concern for others, and enthusiasm for our Lasallian Mission.

Maureen is also a wife and mother. Married to Larry, they have two sons, Chris a 2009 graduate of CBA and a student at Columbia University; Alex a student at Rutgers University. With the same motivation she inspires her own sons to achieve academically and to contribute to the community, Maureen guides the students of CBA. Give your very best to all enterprises is certainly Maureen's motto.

As daughter, daughter-in-law, and niece, Maureen cares for the needs of both her parents, Larry's parents and the extended family. Over the course of the past few years health concerns have plagued various family members. Maureen serves as driver and caregiver taking off to render each loving attention and transportation to NYC for treatment or doctor's appointments, often after a long day at CBA.

Maureen Szablewski is a powerhouse who seeks to touch the hearts of everyone she meets. Always eager to give assistance, and never one to rest; Maureen sets a clear example of what John Baptiste de La Salle sought when he preached to the young brothers that "If you want to accomplish your ministry as Guardian Angels for the children whom you instruct, to build up with them the body of Christ...Bring all your efforts to be faithful in this for the future." (MTR: 5.3)

John Baptist de La Salle reminds us that God calls us to the work we do, the responsibilities we have to one another, and the great love that we can find in faith, Maureen Szablewski provides the students and faculty of Christian Brothers Academy a poignant model. Maureen best illustrates the virtues necessary to be a truly Lasallian Educator and for this, we the Lasallian Committee of Christian Brothers Academy nominate Maureen Szablewski for Distinguished Lasallian Educator

Sincerely,

Lasallian Committee

Letter From the Editor

Dear Reader,

After 12 months of editing, photographing, and designing, the book that you are currently holding was created. The amount of time and effort that went into this book is more than you could imagine. I tried my hardest to make this the best yearbook possible. I hope that you enjoy this book for years to come, and never forget the memories from the 2013-2014 school year.

The yearbook is much more work than people realize it to be, especially with only a 2-person staff. The 2013-2014 yearbook began creation in April of 2013. It began by designing a unique cover for the book, which is not easy. With so many years of exquisite yearbooks at CBA it is difficult to come up with a new cover that is not similar to previous ones. Eventually, after discussing ideas and drawing sketches, the cover came to life at the Jostens Yearbook Cover Workshop in Eatontown in September 2013. Over the summer, layouts were created in order to decide where each section of the book would be, and what would be included in these sections. It might seem like a large yearbook, but it is quite difficult trying to squeeze the happenings of an entire year at CBA into 240 pages. Once the school year started in September, pages started coming to life. Making a page is not easy, the immense detail and precision that goes into making each page is unimaginable. Pictures, text, and titles were carefully thought out and designed in order to make sure that every page is perfect. In addition, taking photos of events, clubs, and other after-school activities added to the workload.

I want to thank everyone in the CBA community that helped to make this yearbook possible. First, and most importantly, I would like to thank Mr. Jack Thawley for his immense help and guidance in making the book. Mr. Thawley and I were the only 2 staff members of the 2013-2014 yearbook. If it weren't for his expertise in creating yearbooks, I would not have learned how to create such a publication. Not only did Mr. Thawley dedicate his time to helping answer my questions on how to make the best yearbook humanly possible, but he also took many of the pictures that were put into the book. Mr. Thawley also had to deal with my antics throughout the past year, bugging him to upload pictures, asking to hold longer meetings, convincing him to stay after-school to take pictures of events, and so much more. He also kept me calm and assured that we would finish on-time and get the books delivered before the school-year ended. Without all of his work and help, I could not imagine what this yearbook would have ended up like. Not only does he teach and prepare for multiple Religion classes each day, but he also met with me for countless amount of hours after-school, as well as in-school during our mutual free periods. From September-February, we met about 2-3 times per week until 4pm. From March and up to April 11th, 2014, we stayed after-school EVERYDAY until 5pm and sometimes later, with the exception of days when he was attending LaSallian Youth trips to Asbury. Even though we met practically everyday, the majority of our work was still done at home through the Internet software used to create the yearbook. Mr. Thawley's hard work and dedication is something that should be recognized by everyone at CBA.

Other people I would like to thank include the Administrative Secretaries in the main office. Without the help of Ms. Claire Sullivan, Mrs. Joan Foote, and Mrs. Bonnie Stahl, I would not have been able to obtain important information such as class lists, teacher information, and so much more that went into the book. I would also like to thank the photographers at Normandy Studios who took the majority of sports pictures, individual student portraits, as well as a number of the student life candids included throughout the pages. I want to thank other members of CBA who contributed photos of clubs/events/sports that we were not able to attend: Mrs. Whall (CBACCS), Mr. Orozco (School Plays), Mr. Dowd (Trail and Terrain Club), and Mr. Londregan (Crew). I would also like to thank the many students and faculty members that helped me obtain names for the group pictures of sports teams. A huge thank you also goes out to Mr. Santanello, Brother Frank Byrne, FSC '75, and Michael O'Connor '14 for their motivational and inspiring letters included in the book.

Finally, I want to congratulate every member of the CBA community. Without such amazing people at CBA, none of the happenings included in this book would have been possible. Everyone involved with CBA should be proud of the incredible school that we are apart of. To think of all the clubs, sports, events, and so much more that we are involved with truly make our school so special. This yearbook would not be nearly as memorable as it is without every CBA student and faculty member.

I also congratulate the Class of 2014 for their major accomplishments. I wish all of you the best of luck on your future endeavors and hope that this yearbook will remind you of how special your time was at CBA.

Sincerely,

Michael Allingham

A Word from the Moderator...

As the year began I was a bit apprehensive calling Michael the editor, and hoped a senior would step forward to take the reins of their book...but as time went on...Michael was not only the default candidate, but he was the best person for the job. He worked hundreds of hours to ultimately meet our last deadline. He was detailed, creative and selfless in his work ethic. Some editing decisions were made, and due to an ever increasing club and sport sections, the "senior quotes" gave way to new activities. You may find the "Yearbook" club a bit amusing; given all the work Michael did at home surrounded by his pets, he had the creative freedom to remember the yearbook as he wished. Are there mistakes? most likely. Nevertheless, I hope that for the seniors, the pages here reflect some of your best experiences here at CBA. Congratulations to the class of 2014!
